HOMework

iREADY:

The iReady diagnostic will begin this week. We will show the students how to use the tools of iReady to take the assessment in the morning meeting on Monday. Students will need to take it independently to have an accurate assessment of their correct level. It is hard not to help your child during the assessment. The best answer would be to try your best.

READING LOG:

We hope you're enjoying reading for 15 – 20 minutes daily. Please help your child fill out the reading log on Seesaw daily. The reading is meant to be shared activity. You can read to your child or they can read to you. Enjoy it!!

LEARNING FOCUS
