

P-TECH Assessment Timeline

2020-2021 School Year

Note about TSI Testing: At the moment, the TSI testing requirement for all Eastfield College students is suspended. Thus, Eastfield is not testing students prior to or during the Fall 2020 semester. It is possible that testing will begin again in Spring of 2021, but that decision has not been made as of September 2020. As such, all testing will be conducted on the South Garland campus. Retesting will be conducted by South Garland staff during designated windows. South Garland will use the following timeline for initial and retesting students using the TSI Assessment.

| Testing Month Window | Targeted Students | Test | Responsible for Testing |
|-------------------------------|--|--------------------------|---------------------------|
| August through September 2020 | All Students | Credit By Exam | South Garland High School |
