Letter from the PRINCIPAL

Dear Friends,

I pray this letter finds you well, staying safe and healthy. Living through a global pandemic has shaped our lives in a multitude of ways. For the Catholic High School community, we continue to build upon our mission, faith, and relationships.

When the school was closed due to Executive Order in March, our incredible staff jumped into action, modifying and expanding our Digital Learning Days (DLD). Over the course of a few days, faculty made the necessary transition to teaching remotely. Amidst the atmosphere of uncertainty, faculty provided a beacon of light to our students and families, continuing the learning, professional relationships, and routine that provided comfort and stability to students. Students connected with their teachers, classmates, and Campus Ministry through their Chromebooks, continuing to foster their faith, learning, and relationships. This issue of the magazine highlights some of those experiences, offering a window to glimpse the ways Catholic High School continues to transform students' lives during challenging times.

As we look to the reopening of school in August, our recent experiences shape our plans for the future. We look forward to facing whatever challenges may be presented, together, united in faith, spirit, and mission. Our partnership with our families has never been more important or more essential as we collaborate to maintain a vibrant, healthy student body. Together, we are fulfilling our mission while protecting the safety and well being of our students, faculty, and staff.

Mrs. Peggy Boon

Celebrating the CLASS OF 2020

“Start by doing what is necessary, then what is possible, and then suddenly you are doing the impossible.”

— Saint Francis of Assisi

Our student leaders selected this quote at our annual Leadership Retreat at the beginning of this school year to be their theme for the year. At that time they could never have known how important and true these words would be for them. When our seniors finally graduated this year, it certainly seemed they had conquered the impossible.

Catholic High School's graduating Class of 2020 was offered over \$9.75 million in scholarships and grants. As they take the first steps into their futures, we could not be prouder of these remarkable young men and women for what they have, and will continue to achieve. While much of their Senior year was not celebrated in a traditional sense, the faculty, staff and families of Catholic High made every effort to make sure they felt the love and pride for these amazing young men and women who have remained fearless leaders of our student body throughout this unprecedented time.

- Door Decoration contest celebrating each Senior at home
- Individual posts celebrating each senior on the school's social media accounts
- Surprise yard signs - our faculty and staff members delivered surprise yard signs to their front yards
- Drive-thru graduation regalia pickup- Senior moderators, staff, and Father Anthony greeted seniors with great joy and celebration to pick up beautiful gift boxes provided to each senior included a graduation cap and gown, honor cords, medals of honor, as well as a blessed St. Michael medal and prayer from Campus Ministry.

GRADUATION AND BACCALAUREATE

On May 31 at 6:00 PM, Father Anthony Mpungu, School Chaplain and Pastor of The Catholic Church of St. Mark, presided at Baccalaureate Mass celebrated in the Fraim Family Chapel at Catholic High School. It was streamed live via the school's official Facebook page. A virtual graduation was held on June 1 shared via the school's Youtube channel. Graduates, friends, and families safely participated in this commencement exercise from the comfort of their homes.

The commencement speaker was **Larry J. Sabato, '70**, Director of the UVA Center for Politics. Dr. Sabato is a New York Times best-selling author, has won four Emmys, and is recognized as one of the nation's most respected political analysts. He appears multiple times a week on national and international television. A Rhodes Scholar, Dr. Sabato is the founder and director of the University of Virginia's Center for Politics, and has had visiting appointments at Oxford and Cambridge universities in England. Dr. Sabato is the author or editor of two dozen books on American politics. He has taught over 20,000 students in his 40-year career, and the University of Virginia has given him its highest honor, The Thomas Jefferson Award. Dr. Sabato has also received four Emmys for PBS television documentaries.

See more on page 43.

Friday, June 26, we finally got the chance to celebrate in person with graduates at a "Commencement Under the Lights" on Finch Field. Donned in their caps and gowns, our grads and their families arrived in their vehicles and were recognized by faculty and staff for all of their incredible achievements over the last four years.

Matthew Mytych, Valedictorian

As Sullivan Scholar from Christ the King Catholic School, Matt has been a member of every School Honor Society, was a 2020 National Merit Commended Scholar and an AP scholar with Distinction. His activities are nearly too many to mention, including Forensics, Student Ambassador and Track and Field. He notably captained our champion Blue Crab Bowl team to a well deserved victory and led the team to nationals. Matt has also won many awards for his countless hours of community service.

In his commencement speech, Matt remarked, "Graduation is a time of unity in which we reflect on where we have been and where we are going. It is a time that we, as graduates, get together for one last moment before charting a new course. This year's graduating class is full of unique and exceptional students, so I have no doubt we will excel wherever we go from here." In the fall, he will attend Clemson University in the Clemson University Honors College. Congratulations, Matt. We are so proud of you and we wish you much joy and success in your future academic career!

Hunter Quigley, Salutatorian

As President of the Executive Student Council and the National Honor Society, leading is something Hunter was born to do. He excelled in the classroom, and was a member of the National Math, Science, Social Studies, Spanish and English Honor Societies. Hunter was a key member of the track and cross country teams, being named captain and MVP of the latter. In addition, he earned All-Tidewater Conference, All-State Catholic, and All-State Private (VISAA) honors in cross country. Hunter also spent his years at CHS as a peer ministry leader, student ambassador, and retreat leader. He was involved in many other school clubs and organizations and spent just as much time volunteering in the community.

In his commencement speech, Hunter remarked, "If there is anything that these past four years of change have taught us, it's that the tough times made us strong and more resilient, and especially strengthened our bonds together." In the fall, he will study Health Studies with a Navy ROTC scholarship at Duke University. Congratulations, Hunter. We are so proud of you and we wish you much joy and success in your future academic career!

Regalia Pickup Day

On May 14, senior moderators, staff, and Father Anthony greeted the seniors with great joy and celebration during the drive-thru graduation regalia pickup. The beautiful gift boxes provided to each senior included a graduation cap and gown, honor cords, medals of honor, as well as a blessed St. Michael medal and prayer from Campus Ministry.

Yard Sign Delivery

As we approached the end of the school year and the graduation of the Class of 2020, we ramped up our celebration of these amazing young men and women who have remained fearless leaders of our student body throughout this unprecedented time. On May 8, faculty and staff members delivered surprise yard signs to their front yards with the hopes of bringing a smile to their faces as they began their last few weeks of classes.

Door Decorating Contest

A few of our seniors participated in a door decorating contest, showcasing memorabilia from their time at CHS.

DIGITAL LEARNING

During Digital Learning Days, students used their school-issued Chromebook to access Google Meet, an online conferencing tool, and Google Classroom to attend class and keep up with assignments posted by their teachers. All virtual meetings, coursework, and assignments were intentionally designed to keep student learning on track with the course curriculum. Students were held accountable for logging into online class meetings on time and for the duration of the class, completing all assignments, and turning them in on time, as determined by the subject teacher.

To prepare for the **AP U.S. Government** exam each year, Mrs. McCubbins' students participate in team review competitions. Each team must review one of the five units in the AP Government curriculum with the rest of the class. They must also create review games for their units. At the end of the review period, students with the highest scores win prizes. This year's virtual competition was just as fun and instructive as past in-class contests. Students had a great time competing for 2020 graduation eyeglasses—a must have accessory for the well-dressed graduate.

Nothing can keep the Cru competitors from finding a way to play in our **annual Chess Tournament**. Our 2 finalists, Matt M. and Ricardo G., met virtually to decide the championship game. Ricardo was this year's tournament winner.

As a fun **Spanish IV final project**, Señora Glenn's students had to recreate famous pieces of art by Hispanic artists by using only household items. By incorporating history and culture into their learning, they deepen their understanding and appreciation of the language they are studying.

In honor of William Shakespeare's Birthday, **Mrs. Baker's English students** wrote parodies of Shakespeare's sonnets. Indya M., Tisha C., and Jenna M. submitted this poem, that is both clever and timely. Of the many things cancelled this year, creativity is certainly not one of them!

2020 GRAND AUCTION

70th Soirée

Our annual Grand Auction was held Saturday, March 7, 2020 at the Chesapeake Conference Center. This year, we celebrated Our 70th Soirée, flying back in time to when the Crusader family began in the 1950s. While we had no way of knowing at the time, this event wound up being the final major gathering of the 2019-2020 school year for our Crusader family. It was a wonderful evening filled with celebration and fellowship, and we are beyond grateful for the memories we created with everyone. Every year we are humbled by the overwhelming support of all those who play a part in our Grand Auction, and this year was no different. Thanks to you, the 2020 Grand Auction was one of our most successful events ever. **We were able to raise over \$50,000 for our students and our school, including an AMAZING \$17,000 for our Fund-a-Gift, which will go to directly supporting scholarships and financial aid for young people seeking a Catholic education.** Our hats are off to all of our sponsors, donors, volunteers, bidders and well-wishers. Your contributions are invaluable and we cannot thank you enough.

Create a Lasting Legacy at Catholic High School

Join the Crusader Legacy Society

The Crusader Legacy Society recognizes the generosity of our alumni, parents and friends who have made a planned gift to Catholic High School. Eligibility for membership is not dependent on the amount of the gift or the age of the donor. Membership in the Crusader Legacy Society is permanent and will continue as long as the gift remains in effect. Gifts may be unrestricted or designated for a particular purpose, and there is no minimum amount.

Creating Your Legacy

Please consider the following gift opportunities:

BEQUESTS: A bequest is the simplest and most traditional way of making a planned gift. You make a provision in your will or trust for a gift to the school. You can leave a specific amount of money or asset, or a percentage of your estate. You can also make a residuary bequest by giving remaining assets to the school after providing for others.

LIFE INSURANCE: *Three Ways to Give Life Insurance*

- ➔ Designate Catholic High School as a beneficiary of your life insurance policy; or
- ➔ Give our school a fully paid life insurance policy that you no longer need; or
- ➔ Purchase a new policy and name Catholic High School as the owner and beneficiary. You will then be asked to contribute the equivalent of the annual premium payment to the school. This premium contribution is tax deductible and is used by the school to pay the insurance premium.

RETIREMENT PLANS: Individuals who have IRAs, 401(k) plans or other retirement plans can make the school the beneficiary. A retirement plan is an important building block for the future. Sometimes an account is no longer needed as a primary source of retirement income. As a result, any assets remaining in an account when the individual dies will be subject to income, and in some cases, estate taxes. By naming CHS as the beneficiary you will avoid these taxes while helping the students of our school.

THROUGH YOUR GIFT YOU CAN:

- ➔ Provide a legacy for future needs by making an unrestricted gift.
- ➔ Create a scholarship for deserving students.
- ➔ Support our academic, athletic or fine arts programs.
- ➔ Provide support for our building, technology and equipment initiatives.

For more information about making a planned gift, please contact Lisa Hamlet, Director of Advancement, at (757) 467-2679. You may also wish to contact your attorney or financial advisor about the tax benefits of a planned gift.

Opportunities For GIFT NAMING

Catholic High School has several gift naming opportunities that provide a way for you to leave your own legacy on our campus or to make a tribute or memorial gift in honor of someone special. Your donation may be in the form of a pledge that is paid over a five-year period and is fully tax-deductible, as allowed by law.

Various Naming Considerations:

- ⊕ Yourself
- ⊕ Parent, Grandparent, Child or Spouse
- ⊕ Other Family Member
- ⊕ Family Name
- ⊕ Mentor/Faculty Mentor
- ⊕ Business

All interested donors are encouraged to inquire about naming opportunities.

Through your generous gift of a paver, seat, classroom, athletic field, or other facilities you create a permanent legacy.

For more information, please contact Lisa Hamlet, Director of Advancement, (757) 467-2679, hamletl@chsvb.org.

The newly named "Leo D. and Suzanne W. Babb" Stage

Take A Seat: By giving a gift of at least \$500 you will be eligible to "take a seat" in the state-of-the-art Barry Robinson Theater. A plaque with your name or the name of a loved one will be affixed to the seat of your choice in our beautiful theater. Theater seats are a meaningful and permanent graduation or reunion gift.

In 2015, the **Mary and Frank Price Gymnasium** was named for two very special Crusader past parents and faithful supporters who will be forever recognized for the role they played in the success of our school. The Price family name is synonymous with Catholic education and their roots run deep in the Crusader tradition.

This fitting tribute to Mr. and Mrs. Price was made possible by Peter '61 and Beverly Keilty.

Sidewalk Pavers: By giving a gift of \$100 a plaque in your honor will be embedded in the sidewalk at the entrance to Catholic High School. Pavers are a wonderful and permanent graduation or reunion gift.

Virginia Education Improvement Scholarship Tax Credits

<p>Receive a Virginia tax credit equal to</p> <h1>65%</h1> <p>of your eligible contribution</p>	<p>MINIMUM DONATION FOR INDIVIDUALS</p> <hr/> <h2>\$500</h2>	<p>MAXIMUM ANNUAL DONATION FOR INDIVIDUALS & MARRIED COUPLES</p> <hr/> <h2>\$125k</h2>	<p>MAXIMUM DONATION FOR BUSINESSES</p> <hr/> <h2>None</h2>
<p><i>IMPORTANT: Consult your tax advisor to determine your specific tax savings.</i></p>			

SAVE ON STATE AND FEDERAL TAXES

In addition to a 65% state tax credit, individuals and businesses may also receive a deduction for a charitable contribution, and therefore achieve tax savings in two ways:

1. Deductions against taxable income as a charitable donation on both federal and state income taxes.

- ◆ The tax reduction equals the contribution amount times the tax rate of the applicable tax (federal or state)
- ◆ Subject to rules governing deductibility of charitable contributions

2. Credit against Virginia taxes.

- ◆ Tax reduction equals 65% of the amount of the donation
- ◆ Credit is non-transferable

BUSINESSES CAN CLAIM THE EISTC AGAINST:

✓	Virginia Corporate Income Taxes
✓	Virginia Bank Franchise Tax
✓	Virginia Insurance Premiums License Tax
✓	Virginia Public Service Corporations Tax
✓	Personal Income Taxes via pass-through entities such as S-Corporations, LLCs and Partnerships.
✓	The amount of the Tax Credits may not exceed the donor's tax liability for the year in which the credit is claimed, but Tax Credits may be carried over for up to five succeeding years.

PROCESS

To take advantage of EISTC, follow these simple steps:

<h1>1</h1> <p>Obtain a Letter of Intent from the Advancement Office at Catholic High School.</p> <p>Also, obtain the Virginia Department of Education Preauthorization Form.</p>	<h1>2</h1> <p>Send the completed Letter of Intent and Preauthorization Form to MPSF, who will submit your Preauthorization Form by secure electronic dropbox to the VA DOE for approval of your Tax Credits.</p>	<h1>3</h1> <p>Within approximately 7-10 days, the DOE will send you an Approval Letter indicating your tax credits have been reserved for a period of 180 calendar days.</p>	<h1>4</h1> <p>Return the Signed Approval Letter with your check or securities transfer information to MPSF within 180 days of the date of the notice.</p> <p>(Preauthorizations become void after 180 days). Make checks payable to the McMahon Parater Scholarship Foundation.</p>
---	---	---	--

After you have made your donation...

Within 40 days of receiving your gift, MPSF will:

- ✓ Send you an acknowledgment of receipt of your gift
- ✓ Send the DOE a notice that your gift payment has been received
- ✓ Notify the designated school(s) that your gift has been received

Within 30 days, the DOE will issue your Tax Credit Certificate.

- ! The Tax Credit Certificate must be attached to the tax return in which the credits are being claimed.
- ! Tax credits may be claimed for the taxable year of the donation, and for up to five successive years.

Don't miss this opportunity. Enroll today.

International Students

This year we had the pleasure of welcoming new students from the countries of China, Columbia, France, Georgia, Korea, and Vietnam. Our CHS community would not be complete without them! To better assist our newest Crusaders, we introduced the International Student Advisor program. Current students applied for the advisor positions and went through an interview process to earn the title of International Student Advisor. Our advisors play an important role as mentors and become their go-to for all things CHS by providing peer support and acquainting them with clubs, sports, and activities. We want all students to become involved in CHS life and become valued members of our CRU community!

Spotlight on... Xinran "Carol" Hu '20

Carol Hu joined our Crusader family in her senior year and what an impact she made in just one year! Carol arrived with a smile on her face and ambition in her heart and took CHS by storm! She joined the cross country team in the fall, became president of the International Cultural Club, and was a member of the National Honor Society, Math Honor Society and the Science Honor Society. She was recognized by Iota Sigma Pi, the National Honor Society for Women in Chemistry, as an Outstanding Female High School Chemistry Student in 2020. She will be attending the University of Florida majoring in Dietetics and Nutritional Sciences.

Her advice to incoming students:

“All the teachers and staff [at CHS] are very supportive and students are smart and friendly. There are many activities that allow new students to get involved quickly. You can easily find the classes that fit your ability. Schoolwork is not hard as long as you put effort into it.”

CRU MINISTRY

In January many of our Crusaders travelled to Washington D.C. for the **March for Life**. This annual trip is an amazing experience for them and we are grateful for the wonderful leaders who make it possible for them to have this experience!

In February our Crusaders and Cru Ministry team travelled to the **State Capitol Building in Richmond** for the Virginia March for Life! Thanks to those who braved the early morning, the rain, and the traffic to stand for the voiceless and the vulnerable.

One of the most unique and impactful experiences our students have each year is their annual retreat. The CHS Retreat program is the "heart" of Campus Ministry's mission to evangelize our students. We are truly blessed that our Junior Boys were able to experience their **Kairos Retreat** before we made our transition to digital learning. Though our physical year was cut short, all of our classes were able to attend their retreats this year. Our Campus Ministry team and Peer Ministry Leaders have done an incredible job keeping our community together spiritually!

Classrooms!

Though physically separated, our community remained spiritually connected through Christ, and especially the Holy Eucharist. This year, Lent started one way, and ended a very different way. Nonetheless, our Campus Ministry team tirelessly worked all semester to pray alongside our CRU family.

During Quarantine, CRU Ministry...

- 🕒 Hosted weekly digital "Hangouts" to touch base, laugh, and chat with students
- 🕒 Held weekly digital Bible Study for Faculty/Staff and Students
- 🕒 Shared daily Morning Prayer on the @CruMinistry Instagram Story
- 🕒 Led daily Morning Prayer on Google Meets for Faculty/Staff
- 🕒 Held their first Virtual Peer Ministry Discernment process to determine Peer Ministry leaders for the 2020-2021 School year, including a virtual "Transition Prayer" with this and next year's Retreat Leaders
- 🕒 Shared videos from Father Anthony and Father Dan Molockho
- 🕒 Shared a Virtual Holy Week on school social media accounts, with a different message each day of Holy Week, including prayers, videos, song playlists and more
- 🕒 Hosted weekly Praise and Worship sessions on Instagram, and a LIVE Praise and Worship from the Fraim Family Chapel on Facebook and the end of the semester Mr. Kelkis and Mrs. Martinson lead us in songs of praise to our awesome God!
- 🕒 Planned and hosted LIVE Baccalaureate Mass on Facebook.
- 🕒 Helped with many other school events including our Drive-Thru Champions' Banquet and Senior Sign Surprise drop-offs.

CRU MINISTRY

En Christe

The goal of the En Christe Service Program is to answer Christ's call in Matthew 25 of the Corporal Works of Mercy. Through En Christe, our students engage in reflective, direct service to those most in need. Earlier in the school year our students were able to serve in many ways for many worthy organizations. Naturally, the program was adjusted in the spring semester to reflect state-wide directives regarding social distancing. Students were encouraged to do yard work for neighbors, make and send cards of support for Medical Professionals and quarantined residents of Assisted Living Facilities, help family/friends with homeschool work digitally, and serve in their homes by helping with siblings, cooking or cleaning.

Despite all the challenges, our students completed nearly 10,000 hours of service this year!! We are each called to reach out in service in new and creative ways. Our hope is to turn current obstacles into opportunities to spread faith, hope, and charity. Our CRU remains committed to creating, strengthening, and supporting relationships in our communities and families during this challenging time.

CHS juniors Enyojo A., Robert C., Adam C., Mia F., Timothy L., and Brandon L. volunteered with the Norfolk Emergency Shelter Team (NEST) program this week to provide shelter, food, and fellowship for homeless adults. The students spent time serving food, setting up bedding, and organizing clothing for the shelter.

CATHOLIC SCHOOLS WEEK

January 24 through February 1 - Theme: *Learn, Serve, Lead, Succeed*

Annual Catholic Schools Week Art Show

The 4th annual Catholic Schools Week Student Art Show Friday was held Friday, January 24 at The Dragonfly Art Studio. Crusader families and friends came out to celebrate with our students and to admire over 200 fantastic and creative works of art that were on display from Hampton Roads Catholic Schools, including many amazing pieces from our Fine Arts students. Thank you to our Art teacher Mrs. Hudson, and all who helped organize this amazing event!

Celebrating Families

We honored and recognized our parents, guardians, and family members who play a vital role in Catholic education. Our Crusader families volunteer at the school, instill Catholic values, and cultivate expectations for academic excellence at home. We appreciate our Crusader families for making Catholic education a priority for their children and for supporting Catholic High School in so many ways. WE LOVE OUR CRUSADER FAMILIES!

Celebrating Your Parish

Students showed their Crusader pride this weekend while celebrating their parishes by wearing CHS gear to Mass! Austin Miranda '21 is pictured here at St. John the Apostle Catholic School with Pastor Rev. Robert J. Cole.

Celebrating the Nation

With our whole Crusader family, we celebrated our Nation together by praying and recognizing all those who serve our nation. Students, faculty, and staff dressed in red, white, and blue. Anyone who donated \$1 for the Wounded Warrior Project was allowed to wear jeans. Together we raised about \$300!

Celebrating Your Students

Our faculty and staff took time to celebrate our students and recognize their accomplishments by offering fun treats and game breaks in class. Cookies and hot chocolate were also available at all lunches for students to enjoy.

Celebrating Vocations

Our students were blessed to have the chance to visit with Sister Marianne Therese Lallone, IHM, and Mr. Joe Kauflin, a Seminarian with the Catholic Diocese of Richmond who spoke with our Freshmen classes. Many of our students wrote letters to the seminarians in the Diocese of Richmond in Theology classes. By focusing on faith, knowledge and service, Catholic schools prepare children to use their God-given talents to the fullest later in life.

Saint Gregory the Great Catholic School invited our Crusaders to join them to hear nationally recognized and renowned public speaker, Sister Bethany Madonna of the Sisters of Life, as a part of our Catholic Schools Week celebration.

Celebrating Faculty, Staff, and Volunteers

The Advancement office made visits to each classroom with a breakfast cart for teachers to enjoy. We honored our teachers, our administrators and staff who support teachers in their important work, and we thanked all our parents, grandparents, alumni, parishioners and school board members who volunteer their time and talents in service to Catholic education. Our teachers, leaders, and volunteers always give of themselves to ensure that the love of God is shared with the students and families they serve.

Celebrating Your Community – “Souperbowl” Monday!

A central aspect of Catholic education is learning the importance of service to others. When students take part in service activities they demonstrate the values and faith gained through Catholic education. Students celebrated their community by bringing in donations for our "SouperBowl" food drive. Those who brought in donations throughout the week were able to wear their favorite team's gear on Friday, January 31! All soup was donated to the Church of the Ascension.

Students also continued the celebration of our community by creating handmade Valentine's Day cards to our friends at Our Lady of Perpetual Help. Their regular visits to the residents demonstrate the values and faith they gain through their Catholic education.

SPORTS REPORT

Team Spotlights

Varsity Boys Soccer

The 2019-2020 TCIS Varsity Boys Soccer Team is coming off another solid season with an overall record of 11-7-1 and an impressive 8 games ending in shutouts. The Crusaders were led by a strong and experienced class of seniors that drove them to a 4th place TCIS finish and a trip to states vs. neighborhood foe Norfolk Academy. Captain Sam Provideo was named Offensive MVP and was awarded 1st Team All TCIS and 2nd Team All-State honors for the second year in a row. Goalie Zane Claffy was named Defensive MVP and was awarded 2nd Team All TCIS honors along with fellow senior Tony Pearson. Team highlights included two shutout wins against Norfolk Collegiate (2-0), Walsingham (2-0) and Hampton Roads Academy (3-0). Defense proved to be the

theme for the Crusaders this season and with offensive sparks upfront from Provideo, Moran, Chanthavichith, Lawrence, and Richardson, the CRU always found themselves in charge of the game. Led by coach Paul Bleier, the Crusaders had one of their best finishes in school history. In their final showdown versus Norfolk Academy the Bulldogs narrowly escaped with a 3-1 victory. During the game, the CRU team fought tooth and nail, and for most of the first half had NA on their heels. With a late goal by Provideo, the CRU was right in it until the end. When the final whistle blew a proud group of students and parents stood and applauded. Even though it wasn't the desired outcome, the CRU soccer program made a statement and has created excitement for the 2020 season. With another solid senior class returning and a talented junior group alongside, watch out for CRU soccer this fall!

Varsity Girls Basketball

It was another successful season for the Lady Crusader basketball team. Swoosh and Crusader fan's cheering was all that could be heard when the 2019-2020 TCIS Varsity Girls Basketball Team took the court. With an impressive 20-12 overall record and 9-1 TCIS record the girls team continued to solidify themselves atop the TCIS conference and Hampton Roads area. It was the first time since 2001 the team had won more than 20 games and with Coach Larry Bowman's strategic game plans and knowledge of the game, the future continues to look bright for CRU basketball. This season Senior Tisha Cajés led the team with 129 assists and was named the team MVP. Freshman and Rookie of the Year Taylor Ethridge led the team in scoring with 409 points and sophomore Jorah Eppley led the team in rebounds 209, 78 steals and scored 382 points which put her well on her way to the team's Most Outstanding Player honor. With key contributions from seniors Sydni Stock and Bryn Matthews, this year's team was always competitive and in the game. Team highlights from this season include a second consecutive bid to states and a huge win over state champion Steward School at home where coaches Bowman and Stokes put together an "all-time" inbounds play in the closing minutes to seal it for the

CRU! Several girls received postseason honors such as Taylor Ethridge and Jorah Eppley being named to the first team All TCIS team and Tisha Cajés receiving second-team TCIS honors. In previewing the 2021 season, look for more of the same. The CRU returns with a very talented young core led by Ethridge and with leadership from returning juniors Eppley, Bella Woods, Vegas Fetterly, and Ashley Laing, CHS will sure to be back at the top of the conference!

Student Achievements

Many of our students won high honors in the second meet of **WordWright**, a national language arts competition, held in December 2019. More than 70,00 high school students from 48 states entered the meet. Seniors Emily Shook and Katherine VanBourgondien were among only 44 twelfth graders in the entire country to earn a perfect score in the competition, while junior Enyojo Agene was one of only 37 eleventh graders to also earn a perfect score.

Other students who achieved outstanding results in the meet included sophomores Skye Baker and Audrey Vergara; juniors Jacob Bovatsek and Madeline Wrubel; and seniors Jenna Mazzeo, Rhys Nagel, and Sydni Stock.

Senior Xinran "Carol" Hu was recognized by Iota Sigma Pi, the National Honor Society for Women in Chemistry, as an **Outstanding Female High School Chemistry Student**. In an effort to promote interest in chemistry among young women, Iota Sigma Pi has presented 46 female high school students with the "Outstanding Young Women in Chemistry" award. Recipients of the award show high academic achievement in chemistry. The award includes an official certificate issued by Iota Sigma Pi and recognition in the *Iotan*, the national publication of the Society.

In early March, six of our most noted leaders spent the day yesterday discussing diversity with other student leaders from around Hampton Roads at the **Tidewater Diversity Dialogue Day**. Diversity Dialogue Day is a one-day high school forum that brings together students from public and private schools in a particular geographic area in Virginia. Students created practical plans to create a more inclusive community!

Crusader Maria Rodriguez, who was chosen based on her strong academic record and thoughtful application into the **Harvard Secondary Summer School Program**!

The Secondary School Program is a college program for high school students that resembles that of a Harvard University student. Students study with Harvard faculty and visiting scholars, and earn college credit that may transfer to their chosen university. We are very proud to have our student body represented by such a worthy candidate!

Two of our Crusaders, Jenna Mazzeo and Joseph Bonvie, were selected as student diplomats for the **Model NATO Challenge Scholarship Program**. Jenna acted as a student diplomat representing Italy and Joseph represented Hungary. The student diplomats were assigned mentors, military officers from each of the 29 countries of NATO, who assisted in preparing the students for the challenge while teaching them about their culture, national military resources, and political backgrounds. The students were selected based on their essay on a predetermined topic involving NATO.

Catholic High School emerged in First Place at the 23rd Annual **Blue Crab Bowl**, held February 8 at Old Dominion University's Virginia Beach Center. Blue Crab Bowl, a day-long academic tournament, is the Virginia Regional Competition of the National Ocean Science Bowl (NOSB®). The contest drew sixteen teams of top science students from fourteen schools; they came from across the Commonwealth, hailing from Manassas and Warrenton to Hampton Roads and the Eastern Shore. The 70 students spent the day in a heated tournament competition focused on the marine sciences.

The challenging day included both round robin and double elimination contests – over 45 matches in all. Tense final competitions resolved 4th through 1st Place winners. First Place was captured by the Crusaders.

The Catholic High team, coached by science teachers Dr. Carol Stapanowich and Jennifer McMullen, included: Team Captain Matt Mytych; Jacob Bovatsek; Robert Cajes; Brandon Ly; and Andrew Michalak. At the Awards Ceremony, the successful team received their trophy from Representative Elaine Luria of Virginia's 2nd Congressional District, special guest and awards presenter.

Seven of our students joined 800 students from Virginia, North Carolina and Maryland at Old Dominion University's **Model United Nations**. Rylee S., Mariah R., Patrick D., Justin C., Patrick H., and Frances W. represented Nigeria on various General Assembly committees. Maggie B., played Ivanka Trump on the United States National Security Council. Well done, all!

This year, Catholic High School once again received the **Pearl School Award** for the 2019-2020 school year! The Pearl School Award recognizes schools that provide their student body with a variety of environmental activities, exceeding the requirements of their curriculum. This award is thanks to the efforts of the entire school, notably the Environmental Crusader Club, our champion Blue Crab Bowl team and Ms. McMullen's AP Environmental class who work with oyster restoration and recently raised money for a sustainable water bottle fountain on campus.

In the last two years, Catholic High School has created a garden where the students of the Environmental Crusader Club (ECC) planted sunflowers, cucumbers, kale, and radishes, as well as a Dogwood Tree in front of the school. They also hosted an environmental film festival where they showed the movie *Our Planet*. While the school was closed, the ECC kept members engaged with environmentally focused activities by sending out wildflower seeds to students who were interested in planting a garden at home during the stay at home order.

Faculty Achievements

Once again this year, several of our faculty were invited to participate as readers for the AP exams. A notable achievement and honor, **Mrs. Noreen Baker** served as an AP Distributed Table Leader for AP English Literature and Composition, **Mrs. Linda McCubbins '76** served as an Early Distributed Table Leader for AP U.S. Government, and **Mrs. Suzanne Glenn** for AP Spanish Language and Culture. In the past they have traveled to various cities for this opportunity, but this year reading participants performed their scoring online at home this year. This is a distinguished honor for these educators who will then share their insight and experience with their students.

Mrs. McCubbins was also accepted once again this year to attend the 2020 International Studies Research Lab (ISRL) at the University of Illinois at Champaign-Urbana. Although both the lab and the traditional Collaborative Workshop projects and interactions will be maintained online, this year's ISRL will be just as supportive and productive as previous years.

It is always bittersweet to recognize the faculty members who will be retiring after long service to our school, and this year we have one special faculty member who deserves abundant recognition: Catholic High School's nominee for the 2020 Excellence in Education award, **Mrs. Barbara Green**. Barbara Green has been a Physical Education teacher and Chair at Bishop Sullivan Catholic and Catholic High School for 24 years, and she has been an impactful educator and friend to countless students. She is a devoted, 34-year veteran Catholic educator who sent all of her children to Catholic schools. She goes to great lengths to make a difference in her students' lives, routinely and regularly going above and beyond on their behalf. A straight shooter, students knew they could get honest and objective advice from a very understanding adult. The gym was her classroom, and despite its being utilized for anything from school Mass to pep rallies to blood drives, Mrs. Green always found a way to accommodate others. And, perhaps more importantly, hundreds of students have learned to drive under her tutelage – and not a single one has ever been in an accident! She adjusted her schedule to make sure everyone who wanted the behind-the-wheel experience with Mrs. Green could get in, working around sports schedules, play practices, and every other activity under the sun. Thank you, Mrs. Green, for always setting the bar high and being a steady guiding light for countless Crusaders.

Welcome our New School Nurse, Madison Dellinger, BSN, RN

Ms. Dellinger earned a Bachelor of Science degree in Nursing from Kent State University. A registered nurse, Ms. Dellinger most recently worked as a Neonatal Intensive Care Registered Nurse at Akron Children's Hospital in Ohio. Ms. Dellinger's clinical and interpersonal skills, work ethic, and compassion at the core of her practice are valued in her role as the CHS school nurse.

“ I plan to live the CHS Mission by providing confidence in each student through education and practice regarding the health challenges in the world today, while keeping our faith strong at the forefront of each battle.”

Crusader **Athletic Director, Lyndsey Boyce '99** was recognized by the NIAAA - National Interscholastic Athletic Administrators Association as a Certified Athletic Administrator.

To earn this distinction, Coach Boyce demonstrated the highest level of knowledge and expertise in the field of interscholastic athletic administration. The voluntary certification process included a thorough evaluation of the candidate's educational background, experience and professional contributions, as well as a rigorous, comprehensive written examination. She is one of an elite group of interscholastic athletic administrators nationwide to attain this level of professionalism.

Student Theater Perspectives:

“As a member of the theatre company, I participated in the spring production of *The Tempest*. I was cast as *Stephano*, the drunk butler who has an eye for power and revenge. Out of the three characters I was given this past theatre season, Stephano was my most challenging, as it was a comedy role, arguably the hardest type of role. The experience on stage was amazing, and so was the off-stage experience. We truly grew as a family behind the scenes, and all worked together to make this show amazing. This experience was my first full-length play as our fall piece, *Frankenstein: Anatomy of a Monster*, was a one-act. This Shakespeare play required lots of line memorization, correction diction and acting ability to properly relay the message of the lines and characters, and hard work in the tech field. We also integrated music with a Spanish influence and a full stage of set work. Caliban, Ariel, and Stephano, my character, each had points on stage where singing was integrated into the play, having moments in song on stage. Each person who participated showed how much they truly loved theatre, and each person was key for the show to come alive. From our director Mr. Clarkson, Assistant Director, Ms. Truelove, to our amazing tech team, our costume designer, to our choreographer, to the actors on stage, each person helped shape and design this amazing show into the success it was. In theatre, each participant guides, shapes, and designs the show, no matter what the role. Unfortunately, we were a week away from the show when COVID-19 restrictions began, and it ended up putting a stop to our show. Losing something that we worked so hard to complete, and not getting to have that final senior stage moment was crushing, better quoted in the words of Stephano, “there is not only disgrace and dishonor in that, but an infinite loss”. But, we must all remember that as actors we must keep pushing forward, and always remain ready for our next role. I will be continuing with theatre at ODU in the fall and will support my BRTEFC family with their productions as well. *The Tempest* shaped me as an actor to always be ready for change, and value time that you don’t know is limited, and Stephano taught me to never let evil get in the way of remaining good, always shoot for success, and allow yourself to change. This was truly a life-changing experience, and will always remember my time in the CHS theatre company. This experience has guided, shaped, and changed me as an actor, and I will always look back fondly on my time in *The Tempest*. Never lose your dreams, and always take the time to relish in an experience as amazing as this was.”

— David Dumas '20

“The *Tempest* was an awesome experience for me. I had never had the chance to do a full-length play before, so this was my first. This was such a fun show to do! The *Tempest* is a jam-packed show filled with comedy and emotion. The characters are wildly dynamic and I loved not only playing my character but watching my fellow actors play their characters as well. The family environment of the show was the best part of it all. I just hate that we did not get to perform it for audiences to see!”

3D Art by Brendyn Benincasa '21

Our fine arts students are still creating wonderful art while at home. Check out this amazing sneaker Zekai Chen created using his 3D Pen!

Early in March, five of our students competed in the **Great Computer Challenge**. Their competition included schools such as Landstown, ATC, and the Governor's School. Our students had an amazing showing with winners including Isaac Avis (1st Place, Music Composition), Sophia Pedroza and Angelina Bailey (2nd Place for Graphic Design), Gabe Sudarma (3rd Place, Web Design) and Maria Rodriguez (Honorable Mention, Desktop Presentations).

Congratulations, to the 2nd Annual Catholic High School Photography Contest winners: Cynthia V. third place, Julia M., and Kyle C., first place. A special thank you goes out to Mr. Le for his continued support and The Crusader Club for sponsoring this year's contest!

Fine Arts students in Glass, Art Foundations, Ceramics, and AP Studio Art never stopped creating - they adjusted quickly to virtual learning and continued making some fantastic works of art in all types of styles and mediums!

Mass and a Meal

Catholic High School has many inclusive programs to encourage middle school students to become part of our Crusader community. Our Mass and a Meal program invites 7th graders from our partner Catholic schools to celebrate weekly Mass and share a meal together. Our student ambassadors are an integral part of the program as they lead small groups on a tour of our campus, share their high school experiences, and assist in fun experiments. Afterwards, our visitors can experience the best school lunch (and cookies!) prepared by our own Sage Dining! We hope to show them how CHS will enrich their high school experience academically, spiritually and culturally.

We were blessed to be able to host seven of our eight partner schools before the pandemic closed our doors. We hope to continue this important program each year and show rising high schoolers that Catholic High is the right choice to prepare them for college and the world beyond!

For more information on next year's Mass and a Meal dates, please contact Eileen Monacchio, Admissions Coordinator, at 757-467-2679 or monacchioe@chsvb.org.

Adversity inspires creativity! Because of the pandemic, we had to find new ways to connect with interested and new families. It was important to us that everyone that wanted to get to know our community felt welcomed and well-informed.

In mid-March, our admissions team went to work to create a virtual tour inspired by our campus visits. Our goal was to simulate the feel of warmth and enthusiasm felt when walking our hallways. Trying to bring alive our school was a fun and challenging project but we really enjoyed producing it! In addition, a recent graduate, Sean Delatte '19, and our Media Relations and Events Coordinator, Allison Davis '04, shared their talents in creating a drone tour so that our campus could be enjoyed from a different viewpoint.

Our Admissions Coordinators, Mary Beth Dober and Eileen Monacchio, then set up weekly "Coffee with the CRU" chats for new and interested parents to share information about our community and the admissions process. It was a wonderful format to show our Crusader spirit, get to know each other and discuss concerns in such unfamiliar territory. It was a gift to have the opportunity to make new friends when the world was forced to disengage.

Our new students also had the opportunity to bond in our weekly CRU CHAT sessions where they could ask questions and learn about our ambassadors' experiences and soak up their advice for a successful transition to high school. Our new students started to form the relationships that will be their foundation throughout high school as well as learn a little about Crusader life.

Both sessions were so successful and so rewarding that we have decided to continue them every year! There are always silver linings and we are a stronger community because of them!

2020 Commencement Speaker

Alumni Spotlight

Dr. Larry J. Sabato '70

Dr. Larry J. Sabato, 1970 Norfolk Catholic graduate, was the commencement speaker this year. Dr. Sabato is a New York Times best-selling author, has won four Emmys, and is recognized as one of the nation's most respected political analysts. He appears multiple times a week on national and international TV, including FOX, CNN, MSNBC, and CNN International. A Rhodes Scholar, Dr. Sabato is the founder and director of the University of Virginia's Center for Politics, and has had visiting appointments at Oxford and Cambridge universities in England. Dr. Sabato is the author or editor of two dozen books on American politics. He has taught over 20,000 students in his 40-year career, and the University of Virginia has given him its highest honor, The Thomas Jefferson Award. In 2020, Sabato will celebrate his 50th year of association with the University of Virginia.

Dr. Sabato is the editor and lead author of the recent book, "The Blue Wave," which explores the 2018 election and its outcome.

Professor Sabato heads up Sabato's Crystal Ball, which has won numerous awards. The Pew Charitable Trust recognized the Crystal Ball as the #1 leader in the field of political prediction, and The Daily Beast designated it as one of the top political sites on the web. A thorough statistical analysis of all 2018 prognosticators found that the Crystal Ball was the best (Nate Silver of 538.com was second).

Dr. Sabato has received four Emmys for the PBS television documentaries "Out of Order," which highlights the dysfunctional U.S. Senate, "The Kennedy Half-Century," which examines the life, assassination, and lasting legacy of President John F. Kennedy, "Feeling Good About America," which looks at the 1976 presidential election, and "Charlottesville," which looks at the events in the titular city during August 11 and 12, 2017.

Prof. Sabato is very active on social media. His Twitter feed (@LarrySabato) was named by Time Magazine as one of the 140 best.

Alumni Spotlight

Elizabeth Sitarski '08

Elizabeth Sitarski '08 attended Old Dominion University after graduating from BSCHS where she received her B.S. in Biochemistry in 2013. She then moved to San Diego and continued her education in the University of California San Diego's Brewing Science program. Once completed, she moved back to Hampton Roads and has been employed at Smartmouth Brewing Co. for two years. Aside from daily brewing and production tasks, she has implemented a QA/QC program.

In San Diego, Elizabeth joined the Pink Boots Society San Diego chapter. The Pink Boots Society is an international non-profit organization that assists, inspires, and encourages women beer professionals through education. The brewing industry is a male-dominated industry, and to have an organization that rallies behind women, focuses on education, and provides an abundance of scholarships yearly is transformational. When she moved back to Hampton Roads, there wasn't an active chapter, so she decided to start one.

Elizabeth is currently the Chapter Leader for the Pink Boots Society Hampton Roads Chapter. After their first year, they have over 45 active members! They have bi-monthly meetings at different breweries/bottle shops with different educational topics. Topics range from talking about the botany of hops to beer and cheese pairings! She has been able to make a career out of her passion, and now she also focuses on encouraging women to join this male-dominated industry.

Every year, on or around International Women's Day, the Pink Boots Society encourages breweries worldwide to participate in a collaboration brew day. Last year two Hampton Roads breweries participated in the collaboration brew day, and this year there were seven! At Smartmouth, "Underestimated Power" IPA was developed, brewed, transferred, packaged, and labeled by women.

Elizabeth says, "As a brewer, it is exhilarating for me to see women in other roles (sales rep, graphic designer, beertender, marketing, etc) getting their hands dirty and experiencing the entire brewing process from grain to glass. None of that would have been possible without the support from my Smartmouth family. They are my biggest supporters and believe in and encourage not only me but all women in the beer industry."

What did you do after you left Bishop Sullivan and tell us about your career? How did your studies as BSCHS influence (if at all) where you are in your career choice today?

When I left BSCHS, I attended ODU and graduated in 2013 with a B.S in Biochemistry. I moved to San Diego and enrolled in UCSD's Brewing Science program while working full time for a biotech company. I am currently a brewer at Smartmouth Brewing in Norfolk. In my spare time I am a chapter leader for an international organization (Pink Boots Society) that helps inspire and educate women in the brewing industry.

Mr. Kline had the biggest influence on my career choice. My first day of Chemistry was also his first day at BSCHS. He wrote "chem is try" on the board. I took his advice by trying and ended up loving it. Mrs. Green had the biggest influence in my personal life, always giving me confidence and believing in me (even after in my adult life).

What are you passionate about in your work?

The best part of learning and studying chemistry is knowing it isn't static information. Chemistry is applicable to everything, and because of that, I'm able to focus on the four main raw ingredients in brewing - water, hops, barley, and yeast. The brewing process, from grain to glass, is intricate and it is important to know and understand it all to have a consistent product.

What are your favorite memories from Bishop Sullivan CHS?

Being involved with sports was definitely a highlight. Oh, and having the same lunch slot as the 2006 seniors... that food fight was pretty gnarly.

What advice do you have for today's Crusaders?

Everyone is different and conformity is boring. There isn't a timeline on when things should happen in your life. The sooner you stop comparing yourself to everybody, the happier you'll be (and at the end of the day, your happiness and health are really all that matters).

Norfolk Catholic High School Class of 1970 - 50th Reunion

Dear fellow alumni:

In light of the coronavirus, the reunion committee surveyed approximately 100 folks from our class on their opinion on whether or not to postpone the reunion for this year. 61 voted to postpone; 21 voted to have it this October as planned. Due to our desire to have the most successful event possible, we are sadly postponing the festivities until next year.

Our current hope is to reschedule for the fall of 2021. The committee will continue to meet over the coming months and will monitor the progress of the coronavirus. We are very committed to making our reunion special and hope you can feel our excitement!

We will provide updates via the Catholic High Crusader Quarterly, Facebook, individual e-mails, and via the USPS for those we are missing a valid e-mail address. We're continuing to attempt to collect current e-mail addresses and/or mailing addresses. If you have contact with anyone not aware of our plans, please ask them to reach out to us to provide their information. Please contact Mary Anne Runaldue Copeland for any questions at racmac3@verizon.net.

Thank you from the reunion committee and stay well!

Norfolk Catholic High School Class of 1976 - 45th Reunion

Cheryl Rako, the class reunion coordinator, is looking for ideas and recommendations on whether to have a 45th reunion in 2021 or to wait until the 50th Golden Reunion in 2026. Please send your suggestions to nchs1976_40threunion@cox.net.

Norfolk Catholic High School Class of 1980 - 40th Reunion

The Norfolk Catholic High School Class of 1980 will no longer be celebrating their 40-year reunion over the weekend of September 25-26, 2020. However, they hope to make plans to reschedule their reunion.
