

ISKL Open Day Application Fee Waiver

What is it?

Join us for our Open Day and if you are successful in enrolling your child, ISKL will waive the RM1,210 Application Fee.

Who is eligible?

Anyone who attends our Open Day and applies on the day itself or during the following seven day promotional period.

How does it work?

Families interested in taking advantage of ISKL's Application Fee waiver should complete the online application form on the Open Day itself, or during the following seven day promotional period, and pay the non-refundable RM1,210 Application Fee. If the application is successful and your child admitted to ISKL, the Application Fee will be credited towards the first invoice issued.
