

### **REMOTE LEARNING PROVISION – SCIENCE**

1. Online lessons as per the Academy schedule
2. All years will have weekly assignments set on Seneca and grades tracked
3. All lessons will come with a Worksheet with Answers that are uploaded at a later stage
4. All Year groups will receive feedback on assignments
5. Y7-Y10 will be directed to online learning at Oak Academy once per week
6. Y7-Y10 will have optional challenges for extra PRIDE Pounds. These will include Science essay writing competition, STEM literacy challenge and remote Science club.
7. There will be targeted small group tuition for identified groups of year 10 and 11 students at least once a week.
8. Targeted year 10 and 11 students will be given additional Oak Academy lessons to watch, matched to their priority areas.
9. Home Learning Booklets available on the academy website.
