

15 January 2021

A Message from Principal Denhalter...

Hello Columbia Elementary Parents,

I have a few things I'd like to share with you:

1. Holiday and Teacher Professional Development Day
2. Parent-Teacher Conferences
3. Kindergarten and New Student Registration
4. Columbia Facebook Page
5. School Calendar

1. **Holiday and Teacher Professional Development Day:** We hope you and your family enjoy having Dr. Martin Luther King, Jr. day off on Monday. There will be no school on January 18 for the national holiday. Also, Tuesday, January 19 is a teacher professional development day. There will be no school for students on Tuesday either.
2. **Parent-Teacher Conferences:** Parent-Teacher conferences will take place on Wednesday and Thursday, January 27-28. We are encouraging remote conferences, but we will accommodate in-person conferences if preferred. If you conference in-person, we request that only the parents and students come to the school. Students will be dismissed at 1:25 on both Wednesday, January 27 and Thursday, January 28. Please check out the attachment if you need more information.
3. **Kindergarten and New Student Registration:** We are collecting Kindergarten names for the 2021-2022 school year. We anticipate that registration will be happening earlier than what we usually do. If anyone knows of a new student returning to Columbia Elementary for the upcoming school year to please contact the office.
4. **Columbia Facebook Page:** Check out our school Facebook page. It's a place to know about and record wonderful things happening at Columbia Elementary. Check out: <https://www.facebook.com/Columbia-Elementary-Kaysville-108053170699881>
5. **School Calendar:** Stay informed... The school calendar remains updated and available to parents on our school's home page, <https://columbia.davis.k12.ut.us/>, or in calendar format under the Parents & Students tab at <https://columbia.davis.k12.ut.us/parents-students/school-calendar>.
