DUNLAP HIGH SCHOOL PARKING POLICY

Dunlap High School has the right to regulate parking lot usage and to search any vehicle and the contents thereof, subject to the requirement of the law and to school board policy. By signing this form, both students and their guardians consent to search of vehicles while on school property.

Students must purchase a parking permit from the DHS main office and complete a DHS Vehicle Registration Form if they would like to drive to school. Students will be assigned a permit number, and this permit **must be displayed at all times**. A DHS Vehicle Registration Form **must** be filled out and turned into the office before a permit can be purchased. Permits are to be hung from the rear view mirror. Students may **NOT** share permits with other students. A new permit must be purchased each school year. If a student will be driving more than one car during the school year, this should be noted on the form. It is the student's responsibility to move the tag between multiple cars.

Cost of the permit is \$50.00. If a student loses a permit, they must purchase another one from the office.

Students violating the parking policy will be given the following:

Violation 1: Warning

Violation 2: Parent notification and an after school detention

Violation 3: After- school detention. Revocation of parking privileges as assigned by administration. Time frame to be assigned by administration.

Violation 4: Parking privileges revoked for the remainder of the school year. Saturday detention assigned.

Violation 5: Disciplinary action for Violation 5 and beyond will be determined by administration.

All students purchasing parking permits are included in the Dunlap High School Drug and Alcohol Prevention Program. Random selection of students in extracurricular activities, club membership and all parking permit holders will be conducted monthly. Further information on this policy is stated in the DHS student handbook.

I HAVE RECEIVED, READ, UNDERSTAND AND WILL ABIDE BY THE DHS PARKING POLICY.
