

## **Business and Non-Instructional Operations**

### **Accident Prevention and Reporting**

The District Safety Committee shall have overall responsibility for the safety program of the district. Each building administrator shall be responsible for the supervision of a safety program for his/her school. General areas of emphasis shall include, but not be limited to: in-service training; accident record-keeping; plant inspection; driver and vehicle safety programs; fire prevention; and emergency procedures and traffic safety problems relevant to students, employees and the community.

The practice of safety shall also be considered a facet of the instructional plan of the district schools by virtue of educational programs in traffic and pedestrian safety, driver education, fire prevention, emergency procedures, etc., appropriately geared to students at different grade levels.
