

COVID-19 Guidelines for Spectators in

Eastern Carver County Facilities

Updated: May 7th, 2021

Indoor Practices

Eastern Carver County Schools will continue to allow **no spectators in all our facilities for practices/rehearsals**. The one exception is for children under 5 participating in activities. They are allowed 1 parent at practice. Parents must maintain a 6 foot distance from one another. **Spectators are required to wear face coverings indoors and outdoors.**

Indoor Games, Meets & Performances

Gyms & Wrestling Room

One spectator per player is allowed into the space for games/meets only. Spectators must maintain 6 feet from other spectators. Failure to follow these guidelines may result in no spectators.

**Tournaments:* Tournaments using gym space are to adhere to the same guidelines as normal games, with 1 spectator per player. However, an exception to this may be made by limiting the number of courts used in gym spaces with 2 or 3 courts. 1 court gyms are allowed 1 spectator at all times. A plan for spectators must be discussed and approved by Eastern Carver County Facility Department.

Auditorium

Limited capacity. Spectators must be seated at least 6 feet from other households. **Spectators are required to wear face coverings.**

Chaska High School Auditorium: 277 Spectators

Chanhassen High School Auditorium: 285 Spectators

Pool

No more than 50 spectators at a time. Must be seated at least 9 feet from other households. **Spectators are required to wear face coverings.**

Outdoor Practices, Games, Meets & Performances

No COVID capacity restrictions. Spectators are required to wear face coverings where there are more than 500 spectators.

Other Spaces/Uses

If you have reserved a space within Eastern Carver County Schools and have questions regarding capacity, please contact the facilities department at 112facilities@district112.org. The facility department will determine the capacity for a space based on current guidelines.
