SPL's Virtual Dungeons and Dragons Club

All ages and ability levels welcome!

Join us for a D&D adventure! Explore the darkest regions of a mystical world, battle monsters for glory, brave forgotten dungeons, gather treasure, and work together with your traveling companions to overcome peril.

Dungeons and Dragons is a fantasy role playing game set in many different environments, but always includes quests and adventure! Our current game searches for an escape from the Underdark, an underworld where light and provisions are scarce and tunnels and caverns seem to go on forever.

D&D Club meets online every Wednesday from 4:30-6:30pm
If you would like to join the fun,
