Notice to the EMPLOYER

INSTRUCTIONS to the EMPLOYER: The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA leave due to a serious injury or illness of a current servicemember to submit a certification providing sufficient facts to support the request for leave. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 CFR 825.310. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees or employees' family members created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 CFR 1630.14(c)(1), if the Americans with Disabilities Act applies.
