

# Directions for Career Cord PowerPoint

Your PowerPoint should include information from the areas below. You may personalize it by adding pictures and interesting backgrounds.

**Slide 1:**

*Name:*

*Graduation Year:*

*Pathway:* (example) Health Sciences

*Cord:* (example) Medical Professions

**Slide 2:** Who am I? This slide could include information about you such as where you are from, a little about your family, what your hobbies are, etc.

**Slide 3:** What am I about? Include on this slide things you like to do and what interests you.

**Slide 4:** What are your strengths? Describe your skill set. Indicate on this slide information about what you excel at. Give examples of what you offer as a potential member of the workplace.

**Slide 5:** Describe possible careers within your Pathway for the future.

*Include job market, salary potential, etc.*

**Slide 6:** What are the educational/training requirements to obtain a career within your pathway?

**Slide 7:** Lessons learned. This slide should include the main things that you learned about a career in this Pathway. What impressed you and what did not impress you?

**Slide 8:** Personal insight into the value of this experience.

Reference what this experience meant to you and what you gained from it.

**Slide 9:** Is this the Career Path you plan to pursue? It is just as important to know what you do not want to do for a career as it is to know what you do want to do for a career. Indicate on this slide if you plan to pursue a career within the path of the Career Cord that you will be receiving at graduation. Please give examples of why or why not.
