Principal's Letter

Dear Monroe Families,

Happy New Year! At last night's school board meeting, it was decided that school would return to the hybrid model (same as what learning looked like in mid October through mid November) beginning January 19, 2021. If your child was in group A, they attend school 8:00am—10:45am on M, Tu, Th, F and will have their special from home via Zoom in the afternoon. If your child was in group B, they attend school 12:15pm—3:00pm on M, Tu, Th, F and will have their special from home via Zoom in the morning. The specials schedule for hybrid learning are on page 2. Attendance will be taken twice a day— in person at school, and during their special Zoom. Wednesday is a full asynchronous remote learning day at home.

I know there are positive and negative feelings with any decision that is made during this time. Please let me know if there is anything I can personally do to help you and your family as we move into the second half of our school year. You may just have questions you need answered or fears you wish for me to know. Your children and your family are very important to me. May 2021 heal our world and communities and bring many, many smiles to the faces of our children.

Finally, we want to welcome the kids back to school with a BANG! We are so excited to see them! On January 19th, we will have a New Year Party. Students and staff are invited to dress up for our first day back in school.

Sincerely,

Vicki
