

# REGISTRATION FOR YOUR JUNIOR YEAR

## **Step 1 Select Your English**

AP English Language OR English 11 Honors OR English 11

## **Step 2 Select Your US History (found under Social Studies)**

AP US History OR CE US History OR US History II

## **Step 3 Select Your Math**

All students need to take at least Sec Math I and Sec Math II. The state recommends Sec Math III, but there are other choices. Talk with your math teacher for recommendations. Before the end of the year, the math teachers will send recommendations to the counselors. A form will be made available if you would want to take a math class other than the recommended class. Ex: Accounting 1 & 2 or Math of Decision Making

## **Step 4 Select Your Science**

AP Physics, CE Physics, Physics Honors, Physics, CE Chemistry, Chemistry, AP Biology, Biology

You cannot repeat a science class unless you are going from a regular to an AP course.

IF you have taken two traditional classes from the above selections (9<sup>th</sup> Grade Earth Systems counts also), you may select your third credit for science from the following choices: Animal Science, AP Computer Science, Astronomy, Computer Programming II, Introduction to Engineering Design, Medical Anatomy & Physiological Science (MAPS), Meteorology, Principles of Engineering, Zoology,

## **Step 5 Select Your Financial Literacy**

Financial Literacy (semester) OR CE Adult Roles & Financial Literacy (semester)

## **Step 7 Check Your Graduation Summary**

You have access to your graduation summary through my.dsd under the academics tab then select reports.

Do you need to take health, fit for life, fine arts or computer tech? If so, don't forget them.

Digital Studies will be the new title for the Computer Tech category. You need ONE from the category, but more can be taken for elective credit. The choices are: Computer Tech, Business Office Specialists, Digital Business Technologies, Exploring Computer Science or Web Development. These are all semester classes.

## **Frequently Asked Question's**

**Why can't I request TA now?** TA, Office Assistant is not available until August for 1<sup>st</sup> semester and December for 2<sup>nd</sup> semester.

### **What if I am trying out for a group?**

When you make the group or team you are trying out for and it includes a required class, you need to see your counselor right away to get that changed. Changes because of try-outs are free of charge.

### **After I am done with my course requests, what happens next?**

You have just enter your course requests. It is not your schedule. Course requests are collected early, so administrators know what classes are requested and what teachers need to be hired. Actual schedules are done by computer during the summer.

### **Why doesn't my schedule look exactly like my course requests?**

You can enter your course requests in any order, but that doesn't mean it is taught the exact class period you want. The order will be different, and IF there is a conflict, your alternates may be used. However, conflicts can happen when you have specialty classes that are only taught once. An example of a schedule conflict could be that Orchestra is only taught 4<sup>th</sup> and so is Social Dance. Therefore, you can't have both, so the computer will choose an alternate that works. Choose your alternates carefully.

### **What if I want home release?**

The home release form is available on the left navigation bar of our counseling website. You cannot enter a home release on your course requests. Instead you must submit the completed form to your counselor who will review your credits. If everything is still in line for graduation, the counselor will add it to your course requests with a Home Release contract signed by a parent/guardian. **You will NOT qualify for an honors award at graduation if you take less than 7 classes each semester of your 10<sup>th</sup> and 11<sup>th</sup> grade school year.**

### **What if I am interested in earning my Associate Degree or Letter of Completion? (Early College)**

Please refer to the document titled **"2020 – 2021 WSU General Education Letter of Completion (LOC)"** Layton High Course catalog on the Layton High School. It is also recommended that students and parents consult with Weber State University's Early College advisors to avoid misadvising. Visit [www.weber.edu/earlycollege](http://www.weber.edu/earlycollege) to start that conversation.
