School Description

Granada Hills Charter, the largest charter school in the nation, is an independent public school in the San Fernando Valley. A fiscally independent conversion charter school, Granada Hills Charter has a current student enrollment of approximately 4,750 in its high school program and 400 students enrolled in its new TK-8 program. The School's student population is one of the most diverse, with more than 40 languages other than English spoken at home and over 60 nationalities represented. Over 50 percent of students are eligible for the National School Breakfast and Lunch Program. As a 501c3 non-profit benefit corporation, the School's Governing Board is the legal entity overseeing all school policy and its \$65 million operating budget.

Granada Hills Charter High School is consistently ranked as one of the best schools in the state and the nation. Students can choose from many AP, honors and college-prep courses offered in a variety of disciplines and can enter academic programs such as AP Capstone, Global Business and Finance; Granada Guaranteed Curriculum; iGranada; International Baccalaureate; Global Human Initiative; CTE; and STEM. GHC has award-winning academic, robotics, visual and performing arts, business, and athletic teams. Every student is issued a Google Chromebook for use at school and at home to best equip them for the 21st Century.

Mission and Vision Statements - Grades TK-12: 14 Years at GHC

Granada Hills Charter will provide a positive student-centered environment in which all students will develop academic skills, practical skills, and attitudes to enable them to be successful lifelong learners and productive, responsible citizens in a diverse society.

The school's vision is to ensure that students acquire seminal knowledge and exercise key habits of mind and essential skills leading to graduation and in preparation for college and the 21st century workforce.

Every student who graduates from GHC will be:

- An Effective Communicator, able to read, write, converse and listen for a variety of purposes;
- An Information Manager, able to locate, access, organize, evaluate and apply information in a complex and technological world;
- A Problem Solver, able to apply a variety of thinking, creative and computing skills to produce solutions for practical and theoretical problems;
- A Productive Member of Society, able to demonstrate healthy, responsible behavior and to work collaboratively and respectfully in a linguistically and culturally diverse global community; and,
- A Lifelong Learner, able to set educational and career goals, to develop a realistic strategy to achieve those goals and to apply content knowledge and critical thinking skills to adapt to a rapidly changing environment.

The Granada Hills Charter Governing Board continues to address established school goals. These goals are continuously validated by high student academic achievement, receipt of a five-year renewal of our charter in 2018 from Los Angeles Unified, our charter authorizer; maintenance of a financially sound budget; and expansion of academic program offerings.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: January 2021

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Fair	Due to COVID-19 pandemic, final 20+ HVAC replacements delayed, but expected during Summer 2021. All gas and sewer leaks addressed appropriately throughout the school year.
Interior: Interior Surfaces	Good	Most classroom interior painting is complete. Office and remaining interior spaces remain and should be complete by Summer 2021. Additional deferred maintenance needs, such as flooring and furniture replacements remain.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Pest mitigation performed annually or as needed. Campus cleanliness is prioritized by facilities and operations staff.
Electrical: Electrical	Fair	LADWP installed a temporary transformer to power campus in December 2018. School believes design for permanent replacement solution is underway.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	LAUSD major plumbing update continues. Completion is expected for the end of 2021. Restrooms are cleaned and stocked multiple times each day, or as needed. Fountain water is filtered.
Safety: Fire Safety, Hazardous Materials	Good	Annual testing performed in 2020.
Structural: Structural Damage, Roofs	Fair	Roof leaks occur during raining season. School still working on roof maintenance and replacement plan.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	TK-8 Program campus construction is underway with completion still planned for Summer 2021.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	77	N/A	45	N/A	50	N/A
Math	55	N/A	34	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are involved through the Governing Board, charter governance committees, and parent groups. At least one parent serves on the GHC Governing Board. In addition, a parent may also serve the Governing Board through any of three Community and At Large Boards. There are two parent members on each of the three standing committees (Curriculum and Instruction, Student Services, and Operations). These committees along with the Parent Advisory, School Site Council, and English Learner Advisory Committees are responsible for developing and assessing proposals that are ultimately approved by the Governing Board. Other parent organizations support athletic teams and student activities. Translators are available at selected meetings for parents who speak a language other than English. Both the TK8 and 9-12 programs have PTSA organizations that provide additional opportunities for involvement, and many parents volunteer to assist with school activities and at Open House and Back-to-School Night. Parents additionally volunteer as chaperones on field trips and excursions, work GHC community events, share their areas of expertise as guest speakers and assist in community outreach to obtain student internships, job shadowing experiences and mentors for our students.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Granada Hills Charter maintains clean and safe campuses staffed by continuous security and seven-day per week plant and facilities crew. Granada Hills Charter has developed a comprehensive Safe School Plan in cooperation with LAUSD and local law enforcement which is reviewed and revised each year. The PTSA holds an annual community safety meeting to present the Safe School Plan. Policies for discipline, attendance, dress, and academic integrity as well as for fire, earthquake, and lockdown emergency drills are well established. Fire and earthquake evacuation drills are held regularly.

Both the TK-8 and 9-12 campuses are secured during the school day and all visitors must register with the office and are assigned a pass that permits them to visit only specific offices or classrooms. A staff member is regularly assigned to the only open entrance used during the school day. Additionally, cameras located at these entrances ensure that all visitors are monitored once they enter the campus. Additional safety cameras and commercial lights were added to the campus-monitoring network within the past few years. Following the latest recommendations on school safety procedures, GHC has implemented School Gate Guardian, a front door check-in system that retains a full database of all school visitors. In addition, GHC has safety and emergency supplies to meet the school and community needs in the event of a major earthquake or other emergency.

Campus safety personnel include a full-time school police officer, discipline deans, attendance deans, a campus security coordinator, full-time campus aides, and 24 hour-security guards. The Safety Committee meets monthly and conducts both announced and unannounced safety drills during non-instructional time. Members attend various trainings, including an LAPD training, Los Angeles School Police Training and other local and national trainings.

In response to the COVID-19 pandemic, both campus were closed to the public in March 2020. Staff members who work on campus follow local health guidelines with regards to health screening, social distancing, and testing.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.5		
Expulsions	0.0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	4

GHC provides schoolwide and targeted professional development to both certificated and classified personnel. Before the start of each semester, teachers have professional learning days to establish goals and lay the groundwork for targeted professional development for the year. During the year, teachers and instructional aides meet every Tuesday morning for an hour before school for department, interdisciplinary, and academic program meetings. Teachers meet in their content-specific or grade level groups to establish the guaranteed curriculum, share practice, evaluate strategies, develop common formative and summative assessments, examine data, calibrate grades using student work, and identify students who need intervention and additional support. The flexibility of horizontal and vertical teaming helps teachers understand student performance in similar groups and assist in developing instruction that supports longitudinal skills.

Types of Services Funded

A major portion of the school budgetary requirements are fulfilled through funding from the state local control funding formula, other categorical programs, and the state lottery. Additional funding comes from property taxes, special education, federal and state grants, and funding based on per pupil enrollment. Major expenditures include salaries and benefits, improvements to buildings and equipment, tutoring, instructional resources and supplies, and technology. Title I federal funds support our efforts to enable all students to meet state educational standards and graduate in four years. Title II federal funds contribute to staff training and technology. The PTSA, the Booster Club and the community-at-large provide for other whole school needs. The GHC Development Office continues to seek additional financial support from alumni, the community, foundations, and private businesses through promotion of the Annual Fund.

Career Technical Education Programs

Granada Hills Charter grades 9-12 offers three established Career Technical Education strands with the shared support of a Perkins Grant. Courses are offered in automotive, culinary arts, and business. The Global Business and Finance (GBF) Program for grades 10-12 provides a foundation of business and finance coursework which includes Money and Banking, Business Statistics, and Entrepreneurship taught by a collaborative group of teachers. Students have access to a variety of summer work experiences and internship explorations from a variety of local businesses. Articulation agreements are established with Los Angeles Pierce College, local adult schools and occupational centers to enhance the CTE curriculum and provide opportunities for students to advance their skills. Advisory Committees and Trade Advisory Committees consisting of local business, community college and university representatives meet semi-annually to provide input for refining and enhancing our CTE programs. GHC continuously explores opportunities for CTE students to participate and intern in local businesses and universities.

Annual surveys are conducted in which graduates are encouraged to report their continued interest in CTE coursework initially explored at Granada Hills Charter. Advisory Committees comprised of local business, industry, junior college and university representatives meet semi-annually to provide input on curriculum, program development and articulation to ensure successful preparation of our students. Our high school offers courses intended to help students prepare for the world of work. These CTE courses are open to all students. All programs include A-G graduation requirements and all CTE courses are A-G approved.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
