You've entered to your tutoring session!

¡Has entrado en tu sesión de tutoría!

The interface features a top navigation bar with the following items: a logo, a tab labeled '1', and buttons for 'Whiteboard', 'Text Editor', 'Share File', 'Print', and 'Settings'. A red 'End Session' button is located in the top right corner. On the left side, there is a vertical toolbar with icons for drawing, erasing, selecting, and other whiteboard functions. The main area is a large whiteboard. On the right side, there is a chat window with a header for 'Victor G (Tutor)' and 'You'. The chat contains a 'Typing...' indicator, an 'Automated System Message' stating 'Sessions are recorded for quality control.', and a message from 'You' asking 'how many apples does Tim have if he had 5 but gave three away?'. A text input field at the bottom of the chat window contains the placeholder text 'Type your text or URL here.'

You will be able to use this screen to communicate with your tutor. You can use the chat box on the right-hand corner and use the whiteboard to write on the screen.

Podrás usar esta pantalla para comunicarte con tu tutor. Puedes usar el cuadro de chat de la esquina derecha y usar la pizarra para escribir en la pantalla.

The image displays a tutoring interface. On the left, a whiteboard area is outlined in cyan. It features a toolbar with various drawing tools (pen, eraser, highlighter, shapes like circle and square, text tool, and image tool) and a top menu with options like 'Whiteboard', 'Text Editor', 'Share File', 'Print', and 'Settings'. A cyan arrow points from the whiteboard area to a cyan-bordered box containing the text 'Whiteboard/Pizarron'. On the right, a chat window is outlined in green. It shows a conversation between 'Victor G (Tutor)' and 'You'. The chat history includes an automated system message, a question about apples, a greeting, and a request for help with homework. A green arrow points from the chat window to a green-bordered box containing the text 'Chat/ El chat'.

Example of a tutoring session with student

Ejemplo de una sesión de tutoría con un estudiante

The screenshot displays a tutoring session interface. On the left, a vertical toolbar contains various drawing tools such as a pencil, eraser, selection tools, and a text tool. The main whiteboard area contains five hand-drawn red apples, each with a green stem and leaf. The apples are arranged in a horizontal row of four, with a fifth apple positioned below the second one from the left. On the right side, a chat window shows a conversation between a tutor named Victor G (Tutor) and a student (You). The chat history includes the following messages:

- Victor G (Tutor): ok, let me try and draw it in the board for you
- You: thanks
- Victor G (Tutor): How many apples Tim had again?
- You: 5
- Victor G (Tutor): yeah!
- You: so I'll draw 5 apples
- Victor G (Tutor): he then gave three away
- You: to represent the amount he had
- Victor G (Tutor): ok
- You: there
- Victor G (Tutor): so he gives three of them away
- You: so if he gives three away

The chat window also features a text input field at the bottom and a green send button.

You can use all the tools located on the left-hand panel of your screen to draw, write, type and share documents with your tutor

Puede utilizar todas las herramientas del panel izquierdo de su pantalla para dibujar, escribir, teclear y compartir documentos con su tutor

The screenshot displays a whiteboard application interface. At the top, a menu bar includes options for 'Whiteboard', 'Text Editor', 'Share File', 'Print', and 'Settings'. On the left side, a vertical toolbar is highlighted with a green border, containing various drawing tools such as a pencil, eraser, selection tools, and a text tool. A large green arrow points from this toolbar towards the whiteboard content. The whiteboard itself features a diagram of three red apples with green leaves, each with a black 'X' drawn over it. To the right of these is a mathematical representation: a single apple with a '1' above it, followed by an equals sign and a '2', and another apple with a '2' above it. On the right side of the interface, a chat window is visible, showing a conversation between 'Victor G (Tutor)' and 'You'. The chat history includes the following messages:

- Victor G (Tutor): Typing...
- You: Victor G (Tutor) How many apples Tim had again?
- You: 5
- Victor G (Tutor): yeah!
- You: so I'll draw 5 apples
- You: he then gave three away
- Victor G (Tutor): to represent the amount he had
- You: ok
- Victor G (Tutor): there
- You: so he gives three of them away
- You: so if he gives three away
- Victor G (Tutor): how many apples will be left?
- You: Very good 😊

The chat window also shows a text input field at the bottom with the placeholder text 'Type your text or URL here.' and an 'End Session' button in the top right corner of the whiteboard area.

Example of drawing, typing and chatting with tutor

Ejemplo de dibujar, escribir y chatear con el tutor

The screenshot displays a tutoring interface with a whiteboard and a chat window. The whiteboard contains three crossed-out red apples, two single red apples, and the equation $1 = 2$. A text box at the bottom of the whiteboard says "Thank you for your help. Goodbye". The chat window on the right shows a conversation between "Victor G (Tutor)" and "You".

Whiteboard Content:

- Three red apples with green leaves, each with a black 'X' drawn over it.
- Two single red apples with green leaves.
- The equation $1 = 2$ drawn in black.
- A text box at the bottom: "Thank you for your help. Goodbye".

Una vez que sus preguntas hayan sido contestadas puede terminar la sesión

The screenshot shows a web-based tutoring interface. At the top, there is a navigation bar with tabs for 'Whiteboard', 'Text Editor', 'Share File', 'Print', and 'Settings'. A large red arrow points to a red-bordered button labeled 'End Session' in the top right corner. The main area is a large whiteboard. On the left side, there is a vertical toolbar with various drawing and editing tools. On the right side, there is a chat window. The chat window shows a message from 'Victor G (Tutor)' with the text 'Typing...'. Below that is an 'Automated System Message' that says 'Sessions are recorded for quality control.' At the bottom of the chat window, there is a message from 'You' asking 'how many apples does Tim have if he had 5 but gave three away?'. At the very bottom of the interface, there is a text input field with the placeholder text 'Type your text or URL here.'

Confirm that you would like to exit the session
Confirme que le gustaría salir de la sesión

The screenshot shows a digital whiteboard interface. On the left is a toolbar with drawing tools. The main workspace contains four hand-drawn red apples. The first three are crossed out with a diagonal line. The fourth is labeled '1'. To its right is an equals sign followed by the number '2'. Below the fourth apple is another apple labeled '2'. A white confirmation dialog box is centered on the screen, asking "Are you sure you want to exit this session?" with "OK" and "No" buttons. Below the dialog is a text box containing "Thank you for your help. Goodbye". On the right side, a chat window shows a conversation between "Victor G (Tutor)" and "You". The chat history includes: "Victor G (Tutor) Training...", "You 5", "Victor G (Tutor) yeah!", "so I'll draw 5 apples", "You he then gave three away", "Victor G (Tutor) to represent the amount he had", "You ok", "Victor G (Tutor) there", "so he gives three of them away", "You so if he gives three away", "Victor G (Tutor) how many apples will be left?", "Very good 🍎", "2 apples", "you did great", and "Type your text or URL here".
