

How to get an electronic overlay

1. Go to this website: <https://www.aurelitec.com/colorveil/windows/> and click 'Run or Install for Free'.

The screenshot shows the Aurelitec ColorVeil website in a web browser. The browser's address bar displays the URL <https://www.aurelitec.com/colorveil/windows/>. The website has a blue header with the Aurelitec logo and navigation links for Apps, Reviews, Support, and About. The main content area has a blue background with the text "ColorVeil" and "Color filters over your screen. Reduce eye strain, help with Dyslexia and Visual Stress." Below this text is a button labeled "Run or Install for Free", which is highlighted with a red rectangle and a red arrow pointing to it from the instruction above. To the right of the main text is a preview image of the ColorVeil application overlaid on a Wikipedia page about Dyslexia. Below the main content area is a navigation bar with tabs for Overview, Help, Reviews, History, Download, and a final empty tab. The main content area is divided into three columns, each with an icon and a description:

- Color Filter**: ColorVeil adds a customizable color filter over your Desktop, Internet browser, video player, document, email, or program. You can work, play, read, write, or browse as usual.
- Dyslexia / SSS**: ColorVeil can help people with Dyslexia and Scotopic Sensitivity Syndrome. It applies a coloured tint across the screen, that can match the prescription from the optometrist.
- Eye Strain**: ColorVeil can reduce screen brightness, even below its lowest available setting. This helps reduce eye strain, especially at night, and can save battery on notebooks and tablets.

At the bottom of the page, there are three more features listed with icons:

- Customizable**: Represented by a gear icon.
- Easy On/Off**: Represented by a toggle switch icon.
- Portable & Installable**: Represented by a download icon.

The Windows taskbar is visible at the bottom of the screen, showing the search bar and various application icons.

2. You need to go to 'Download ColorVeil Portable'. You want Version 3.0.2.152. Select 'Download ZIP'.

The screenshot shows a web browser window with the URL aurelitec.com/colorveil/windows/download/. The page has a blue navigation bar with tabs: Overview, Help, Reviews, History, and Download. The main content area is titled 'Install ColorVeil' and lists three options:

- Download EXE**: Version 3.0.2.152. Only 113KB. Runs on any PC, laptop or tablet with Windows 10, 8, 7, Vista, or XP*. The Installer program will copy the program on your PC, create a Start Menu entry, and set up an uninstaller.
- Download ColorVeil Portable**: Version 3.0.2.152. Only 36KB. Runs on any PC, laptop or tablet with Windows 10, 8, 7, Vista, or XP*. No installation is required. Just download and unpack the ZIP archive. This section has a red box around the **Download ZIP** button, and a red arrow points from the instruction text to it.
- Install ColorVeil (MSI)**: Version 3.0.2.152. 553KB. Runs on any PC, laptop or tablet with Windows 10, 8, 7, Vista, or XP*. The Installer program will copy the program on your PC, create a Start Menu entry, and set up an uninstaller. Use the MSI installer to install and deploy ColorVeil across your network. This section has buttons for **Download 32-bit MSI** and **Download 64-bit MSI**.

On the right side of the page, there are two circular security seals: '100% CLEAN DOWNLOAD' and 'CERTIFIED NO SPYWARE - NO ADWARE - NO MALWARE'.

The Windows taskbar at the bottom shows the search bar and various application icons. The system clock in the bottom right corner displays 1:51 PM on 19/01/2021.

3. The file will download. Click on the file to open it.

The screenshot shows a web browser window at the URL `aurelitec.com/colorveil/windows/download/`. The page has a blue navigation bar with tabs: Overview, Help, Reviews, History, and Download. The main content area is titled "Install ColorVeil" and lists three options: "Download EXE", "Download ColorVeil Portable", and "Install ColorVeil (MSI)". Each option includes version information (3.0.2.152) and file size. The "Download ColorVeil Portable" option is highlighted with a blue button. A red arrow points from the instruction text above to the "colorveil-portable (1).zip" file icon in the Windows taskbar at the bottom left. The taskbar also shows the Windows search bar and various application icons. The system clock in the bottom right corner indicates 3:15 PM on 19/01/2021.

A 'Compressed (zipped) Folders' dialog box is open, displaying a warning icon and the following text:

This application may depend on other compressed files in this folder.
For the application to run properly, it is recommended that you first extract all files.

The 'Extract all' button is highlighted with a red box. A red arrow points from the instruction text to this button. A blue arrow points from the instruction text to the 'ColorVeil' file in the list.

At the bottom of the window, the taskbar shows the time as 3:17 PM on 19/01/2021.

5. Press 'browse' and choose where you want to save the programme. 'Documents' is a good place. Choose somewhere where you will remember.

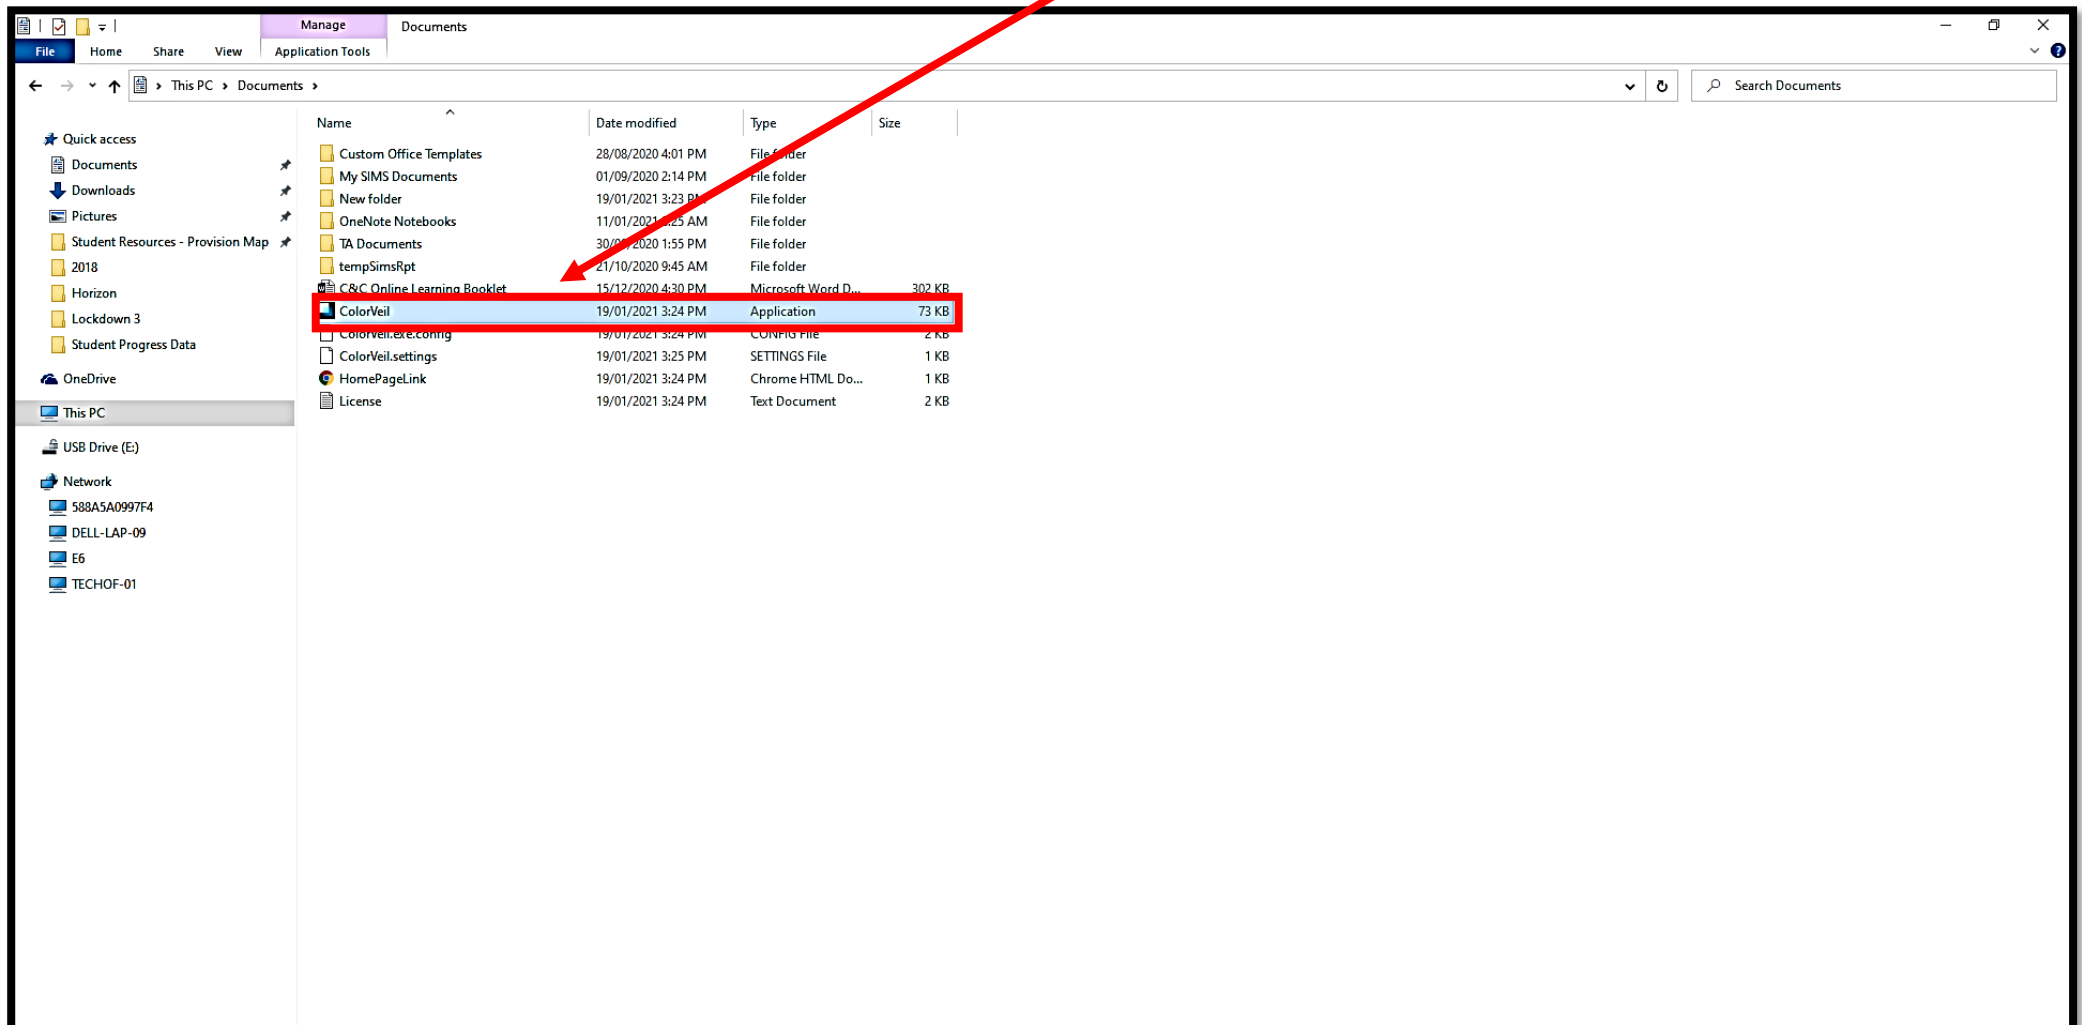

The screenshot shows a Windows File Explorer window with the 'Extract' tab selected. The address bar shows the path 'This PC > Downloads > colorveil-portable (1)'. The left sidebar shows the 'This PC' view. The main pane displays a list of files and folders extracted from the compressed folder.

Name	Type	Compressed size	Password ...	Size	Ratio	Date modified
ColorVeil	Application	34 KB	No	73 KB	54%	17/06/2016 12:54 PM
