

ZERO HOUR CLASS FORM

Sycamore High School will be offering ZERO HOUR classes next year. These are classes that are offered before the actual school day begins from 7:10am-8:00am. The purpose of offering ZERO HOUR classes is to open up student's schedules to fit more classes that a student might want to take. This is an opportunity for students to take more classes that interest them. If you choose to sign up for a ZERO HOUR course, there are some very important things to consider:

1. If you sign up for a ZERO HOUR class, **you will NOT be able to drop the class.**
2. If you sign up for a ZERO HOUR class, it is a YEAR LONG COMMITMENT unless it is a semester long course.
3. A minimum number of students must sign up for a ZERO HOUR class for the class to be offered.
4. **Transportation will NOT be provided to any ZERO HOUR class.**

Zero Hour Class Requested in Schedule:

1st Choice: _____

If there are other zero hour classes that are offered that you would be willing to take if your 1st choice does not run, list them in order of preference (see options on course selection worksheet).

2nd Choice: _____

3rd Choice: _____

Due to the fact that enrollment requests for Zero hour may either be too large or too small, please provide us with the class that you will eliminate from your schedule if you are not selected for the Zero hour class, it does not run, and there are no alternative zero hour options. The class listed below should be one that falls in your day and is not a required class.

Elective class to drop if Zero Hour does not work in schedule:

In order to sign up for any ZERO HOUR class, a parent and student signature must be submitted.

I UNDERSTAND AND AGREE WITH THE STIPULATIONS STATED ABOVE:
