

MHS PHOTOGRAPHY CLASSES

This chart will give you all the information you need to pick out the right photography class for you!! We have several tracks to take depending on your personal interests in Photography!

NEWSPAPER YEARBOOK

If you like taking photos of live action sports, attending a variety of events on campus (for free!), then you'll want to take **Photo Journalism and Journalism 1!**

FINE ART PHOTOGRAPHY

Are you interested in digital media, learning more tricks in Photoshop, learning Adobe Lightroom? Do you like taking photos and editing them in an artistic way? **Then Art 2 Photography is for you!!**

BROADCAST

Do you like watching vlogs? Do you have a YouTube channel? Are you interested in learning about video editing? **Take Photo Journalism to learn all about the fundamentals of this amazing medium!**

Photojournalism

Photojournalism is a year-long course that explores photography in relation to journalistic practices such as current events, documentary photography, and sports photography. This class helps students prepare for future coursework in Broadcast Journalism, Newspaper & Yearbook.

****It is not necessary to take both Photo-J and Art 2 at the same time. Choose one for your Freshman year and you can always be apart of multiple groups as an upper classman****

Fine Arts Photography

Fine Arts Photography explores photography as it relates to the elements and principles of art. We cover DSLR camera functions, the elements and principles with regard to Photography, artistic composition, artistic voice, and artistic editing using Adobe Photoshop & Adobe Lightroom. ****Please note: This is an ART CLASS so we also use sketchbooks and create with other 2D mediums as well****
