

WeVideo Instructions 2021

1. Open the Google Chrome browser. Always use Google Chrome for WeVideo
2. Go to wevideo.com
3. Sign in as a student
4. Choose the Office 365 option to sign in
5. Sign in using your LWSO Office 365 log in (email address with @lwsd.org then your password

6. Once you are logged in you can watch tutorials or Create a New Project by clicking on the plus sign. When you are finished with your video you can share it with others by copying the link (only teachers can download a file version of student videos).
