

A photograph of a large, multi-story brick building, identified as Mellon Middle School. The building has many windows and a central entrance. An American flag is flying on a tall pole in front of the building. The sky is clear and blue. In the foreground, there is a sidewalk and some greenery. A few people are visible walking on the sidewalk.

Fundraising

Did you know that it costs our PTA around \$25 per child, on top of membership dues, to provide our services?

PTA has eliminated traditional fall fundraisers and instead strives to fund programs through parent donations.

****Mellon Middle School still conducts a Student Activities Fundraiser in the fall to raise money to support many school sponsored programs and field trips.****
