Subject: Third Update on Presidential Search Process

I am pleased to report that the Presidential Search Committee has completed its second round of interviews and has selected several candidates for virtual campus interviews. The interviews will be February 1-4. Administration, faculty, staff, students, alumni, community members, and trustees will all have the opportunity to meet the candidates and engage in discussion. Early next week, we will provide the list of finalists, the days and times when you will be able to meet them (via specific Zoom links), and copies of their credentials. At the end of the interviews, you will have the opportunity to complete an electronic response form which enables you to communicate your thoughts about the candidates directly to the search committee.

Please mark these dates on your calendars and make every effort to meet the candidates and demonstrate to them the meaning of Mercy hospitality.

Thank you.
