

Foreign Language Waiver

Students who are sure that they are not going to attend a 4-year college or university are exempt from the graduation requirements of 1 credit in Fine Arts and 2 credits in the same foreign language. Parents must sign this waiver form. Students must replace these courses (3 credits) with courses designed to enhance and expand their elective focus.

I have read the above information and agree to the terms, which would allow my student to waive the Foreign Language and Fine Art requirement. I understand that my student must take an additional 3 credits in courses designed to enhance and support their elective focus area.
