

SBA Virtual Talent Show 2021

Guidelines & Application

Levels 3-8

General Guidelines:

- ❑ No lip-synching or songs performed over other voices. Students must provide their own music (CD, cell phone, iPod, etc.)
- ❑ Each performance should be no longer than 3 minutes long.
- ❑ All costumes, dances, lyrics, jokes, etc. must be appropriate for our SBA audience.
- ❑ While we appreciate parent support, this is a learning experience for students to take ownership of their endeavors. Only students will be permitted in the gym/MPR during rehearsal and performance recording and should be able to set up and perform entirely on their own.

Virtual Guidelines:

- ❑ Performances will be recorded on Saturday, January 30, starting at 9:00 am, with time slots to be scheduled every 15 minutes. In submitting your intent to participate in the talent show, you are agreeing to this time commitment outside of school. Mr. and Mrs. Francescon will be on campus with students for these recording sessions.
- ❑ Acts are limited to individual performers or sibling groups. This policy is in line with SBA COVID restrictions on gatherings both in and outside of school.
- ❑ During recording sessions on 1/30, Mr. and Mrs. Francescon will be masked and positioned at least 30 feet away from the performers. This allows students the opportunity (with parental permission) to remove their masks during their performance. The space will be sanitized between performances.

Please contact Mrs. Mila at cmila@stbernard.org with any questions.

****Acts must be ready in their entirety on the rehearsal date in order to be eligible for the show (week of January 25th). Costumes are not necessary for the rehearsal.**

Return the following registration information to your homeroom teacher by Friday, January 22. Once your form is submitted, you will be individually notified of your date/time of rehearsal.
