## As Global Citizens,

W... we **Welcome** diversity

E... we are **Engaged**

C... we are **Connected**

A... we take **Action**

R... we value **Resilience**

E... we show **Empathy** and kindness

WE CARE about our world, our community,  
our school, EACH OTHER, and ourselves.

We offer a **small-school environment**  
that makes learning personal.

## Our Vision

Our students are curious,  
resilient, global citizens  
who use intellect and  
empathy to shape the world.

- Service-learning allows students to understand and act on real-world issues.
- World languages give students the ability to communicate across the globe.
- Field studies help learning come alive.

## Our Mission

We challenge students to realize individual strengths through collaborative problem solving, compel students to serve the community in order to become leaders, empower students to communicate in multiple languages to become global citizens, and educate all students to imagine and create a better world.

- Learn Chinese.
- Take a Heritage Spanish class.
- Begin individual career planning.
- Explore global music and create visual art.
- Get a jumpstart on high school Spanish.
- Use technology to communicate with students across the globe.
