

To sign up, visit <https://mccallieeverblue.org>.

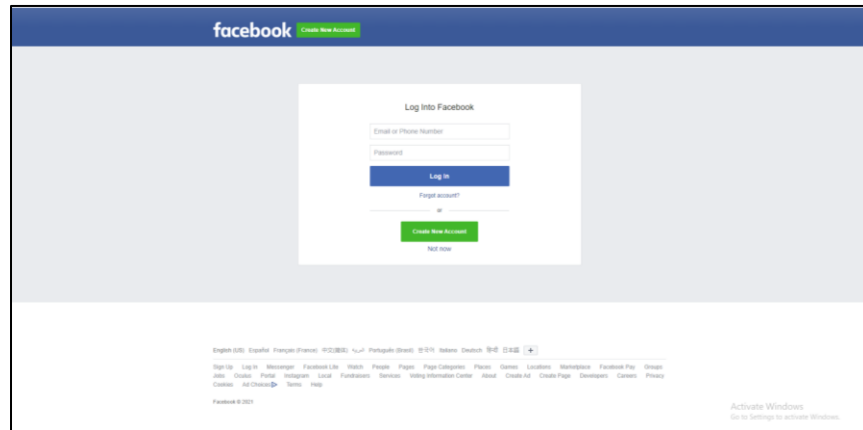

Click on **Get Started, Join Now, or Start Networking** (it is a scrolling banner so the button differs based on the page you are on at the time - they all take you to the same next page).

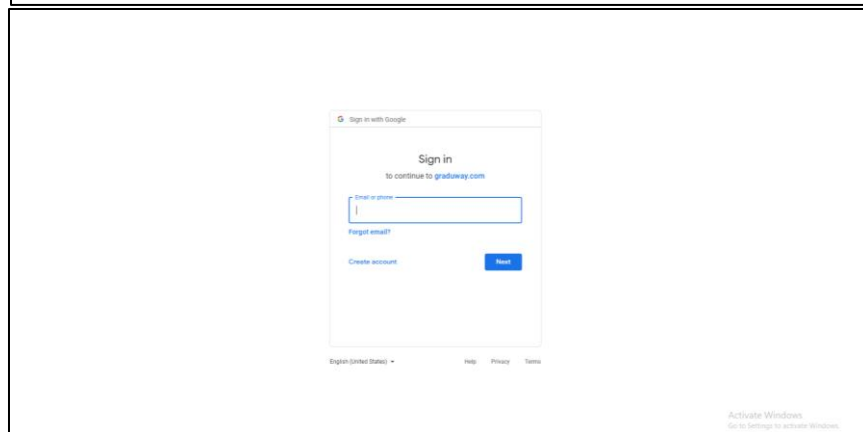

The next page has a pop up that says **Welcome to McCallie School** at the top.

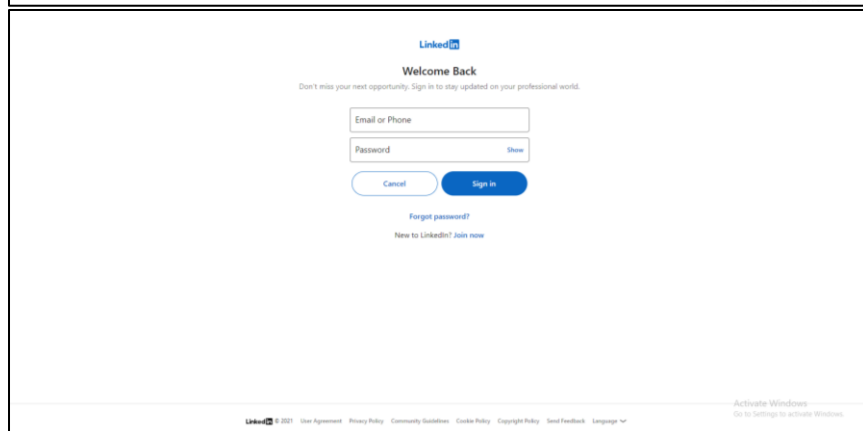

There are different ways to register, including linking your Facebook, Google, or LinkedIn page. The bottom button is **Register with Email**. To register with an existing social networking platform like Facebook or LinkedIn, enter your credentials on the page to which you are directed.

The image shows the Facebook login page. At the top, there is a blue header with the Facebook logo and a green button labeled "Create New Account". Below the header is a white box titled "Log Into Facebook". Inside this box, there are two input fields: "Email or Phone Number" and "Password". Below these fields is a blue "Log In" button. Underneath the "Log In" button, there is a link for "Forgot account?". At the bottom of the white box is a green "Create New Account" button and a link for "Not Here?". Below the white box, there is a footer with various links and a language selector. On the right side of the footer, there is a link for "Activate Windows" with the text "Go to Settings to activate Windows."

The image shows the "Sign in with Google" page. At the top, there is a search bar and the text "Sign in with Google". Below this is a white box titled "Sign in to continue to gradway.com". Inside this box, there is an input field for "Email or phone". Below the input field is a link for "Forgot email?". At the bottom of the white box are two buttons: "Create account" and "Next". Below the white box, there is a footer with a language selector and links for "Help", "Privacy", and "Terms". On the right side of the footer, there is a link for "Activate Windows" with the text "Go to Settings to activate Windows."

The image shows the LinkedIn login page. At the top, there is the LinkedIn logo and the text "Welcome Back". Below this is a sub-header: "Don't miss your next opportunity. Sign in to stay updated on your professional world." Below the sub-header are two input fields: "Email or Phone" and "Password". To the right of the "Password" field is a "Show" button. Below the input fields are two buttons: "Cancel" and "Sign In". Underneath the "Sign In" button, there is a link for "Forgot password?". At the bottom of the page, there is a footer with various links and a language selector. On the right side of the footer, there is a link for "Activate Windows" with the text "Go to Settings to activate Windows."

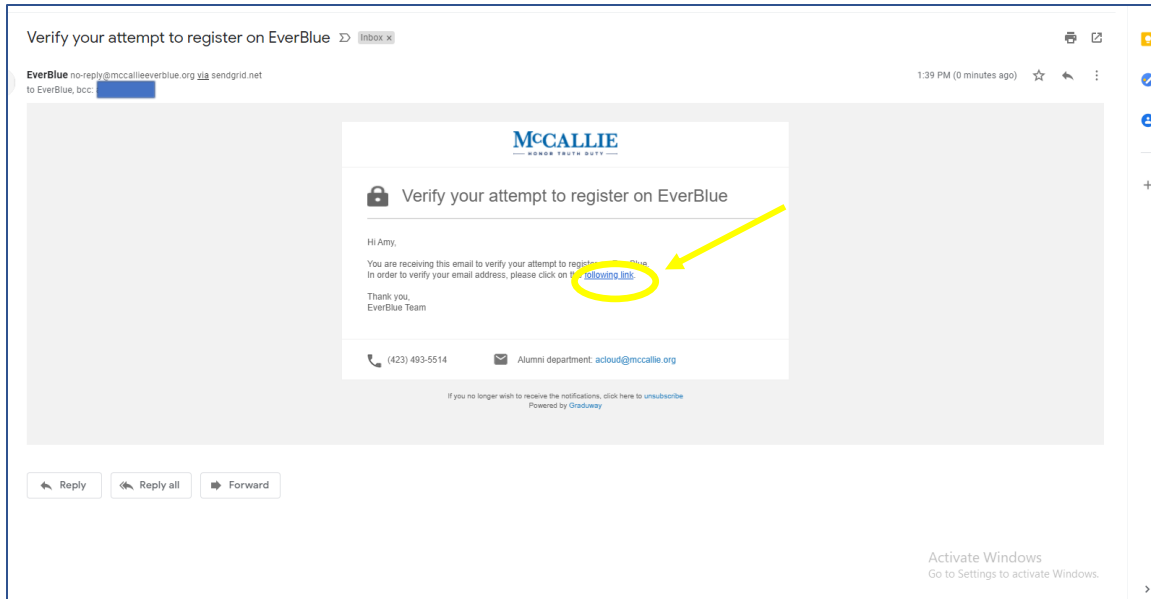

If you click **Register with Email**, the next page will direct you to **Create a New Account**. Be sure to fill out all of the boxes with an asterisk and check the box for agreeing to the terms and conditions.

The screenshot shows the 'Create a new account' form on the McCallie website. At the top, there is a blue banner with the text 'This platform uses cookies to improve our service. By using this platform, you agree to this use. See our Cookie Policy.' and an 'Accept & close' button. Below the banner is the McCallie logo with the tagline 'HONOR TRUTH DUTY'. The form itself is centered and contains the following fields: 'Upload an image' (with a camera icon), 'First name *', 'Last name *', 'Password *', 'Affiliation *' (a dropdown menu), 'Preferred name', 'Email *', and 'Confirm password *'. Below the fields is a checkbox with the text 'I agree to the site's Terms of use and Privacy policy and understand that I will be receiving emails and notifications until I choose otherwise.' and a 'CONTINUE' button. In the bottom right corner, there is a 'Support' button and a Windows activation notice.

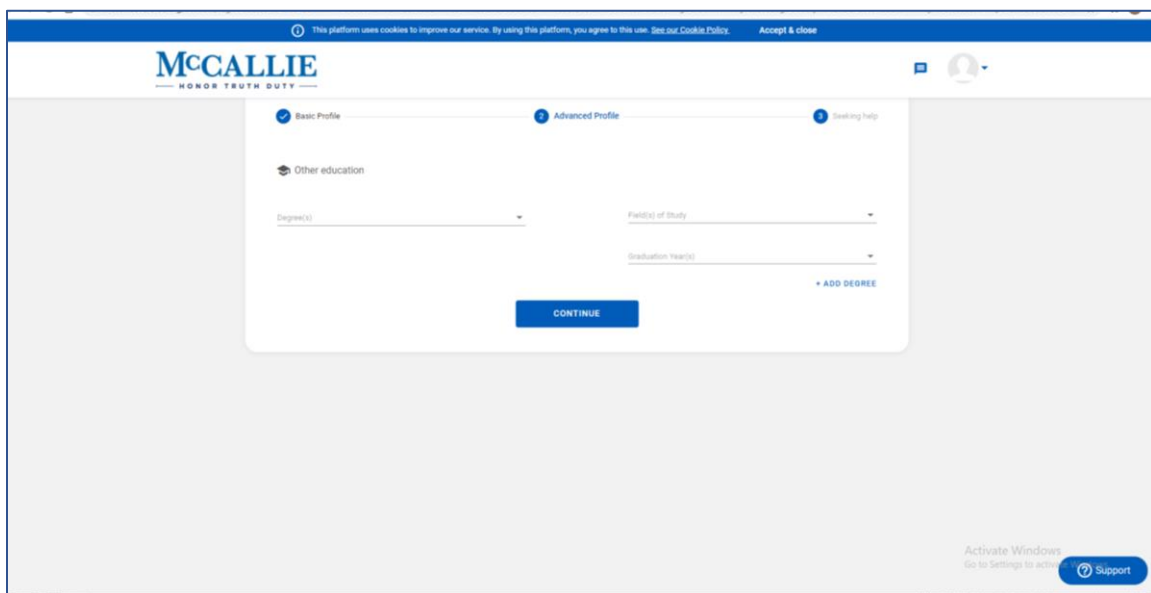

When you click **Continue**, it will generate an email that is sent to the address you provide in the Create a new account page. This email should arrive within an hour (give or take) of clicking continue. It may go to your spam folder, so if you do not see it, please check there.

The screenshot shows the 'Email Verification' page on the McCallie website. At the top, there is a blue banner with the text 'This platform uses cookies to improve our service. By using this platform, you agree to this use. See our Cookie Policy.' and an 'Accept & close' button. Below the banner is the McCallie logo with the tagline 'HONOR TRUTH DUTY'. The page features a progress bar with three steps: '1 Basic Profile', '2 Advanced Profile', and '3 Seeking help'. The main content area is titled 'Email Verification' and contains the text 'We need to know if this email belongs to you. Please click the link we sent to [redacted]'. Below this text is a 'Resend Email' button. At the bottom, there is a note: 'If you don't see this email in your inbox, please check your spam folder.' In the bottom right corner, there is a 'Support' button and a Windows activation notice.

If you chose to register with email, you must **click the link** in the email that the platform sends. When you do, it will take you to the next step, which is to create an advanced profile.

On this page, you fill out a few things including your McCallie class year and birthdate. After you click **Continue**, you are given the chance to fill in networking information on the Seeking Help tab.

We have already uploaded all of our alumni into the platform so if your name, email, and birthdate all match then you are let in without verification. If not, it pushes an email to

the Alumni Office to verify you (this is done every business day). Once you are verified (either automatically from matching or getting verified by the Alumni Office), you can update your profile. We have automatically included contact info so classmates can look up their classmates, but you are welcome to delete or add any additional information you would like. If you have shared with the Alumni Office that your preference is to not share your information, it is not listed on your profile.
