

Second Semester Survey Results and Options

January 19, 2021

Spectrum of Options for 7th-12th

- Maintain the current Hybrid In-Person and Virtual model
- Move to In-Person, Virtual, or SFCL
 - This model would eliminate the hybrid option. Students would attend in-person or virtual 4 days in-person, 1 asynchronous
- Enhance the current model with tiered additional 4-day cohorts
 - Students with a documented need for extra in-person support as identified by their teachers, school counselors, and house principals
 - Seniors or other grade bands

Population Comparison

- In-Person is currently our hybrid (2/2/1) population
- Non-designated could be new students or some outside placements.
- Similar enough to generalize

	Responders		Non-Responders	
In-Person	887	49.47%	882	42.57%
Virtual	861	48.02%	1057	51.01%
Spring-Ford Cyber	44	2.45%	128	6.18%
Non-designated	1	0.06%	5	0.24%
Total	1793	100.00%	2072	100.00%

Q1: Do you feel your child attending in person 2 days/week has been effective?

Q2: If you opted for Hybrid and then changed to Virtual, please share your reason(s).

Total: 1,679

Q3: Based on a classroom setup as close as 3' 6" feet, I feel...

SFCL is best

Q4: What factors need to be in place when considering sending your child back to school 4 days per week?

Data: Survey Question 5

What other considerations and feedback would you like to share with the School Board and Administration when making this decision?

- Vaccines become available
- Consistent implementation of mitigation strategies
- Minimize closures
- Appreciate multiple learning options

Percentage Trends from Results

Of the total population:

- 43.95% prefer in-person
- 34.08% prefer virtual
- 19.3% prefer 2-day hybrid
- 2.68% prefer SFCL
- Fairly even distribution between blue and gold groups

Survey Results (1/17/21)	7th GD	8th GD	9th GD	10th GD	11th GD	12th GD	Total

21	7.35	9.24	11.34	13.44
20	7	8.8	10.8	12.8

Next steps

- Options for consideration
 - Current Model: Hybrid, Virtual, or SFCL
 - 4-days In-Person, 4-days Virtual, or SFCL
 - Hybrid with gradual 4-Day re-entry, Virtual, or SFCL
- Needs
 - Asynchronous and/or live-streaming days to move furniture in 7-12 (projected 3)
 - Decision pertaining to which model you prefer
 - Full marking period commitment from families
 - If choosing gradual reentry, publishing of timelines and consistent communication

Recommendation

These data suggest a safe opening for students that want 4-days of in-person learning.

- We ask for patience with some increased numbers (traffic, etc.).
- Must have accurate and physically distant seating charts (w/ spacing).
- Must have a commitment from students and families.
- We need to make a stronger push to have virtual students' screens on.
- We have to work toward rebuilding trust. Transparency and honest reporting moving forward.
- We all need to know that close contact quarantines will happen and if we cannot staff buildings, a functional closure could happen.
