

**INTENT-**

- To develop knowledge and understanding of physical and human processes and people- environment interactions to consider key contemporary global geographical issues
- To apply they geographical knowledge to real case studies
- To analyse the cause and consequences of these process  
*[Edexcel B examining board]*

**The bigger picture:**  
Links of this SOL to other departments and the broader school ethos.  
History Maths  
Science English

**Bilton School Planning for Progress over Time  
Programme of Study 2019/20**

AO1 – demonstrate knowledge of locations, places, processes, environments and different scales.  
AO2 - Demonstrates geographical understanding of concepts and interrelationships between how they are used in relation to places, environments and processes.  
AO3 - Applies knowledge and understanding to interpret, analyse and evaluate geographical information and issues to make judgements  
AO4 - Selects, adapts and uses a variety of skills and techniques to investigate questions and issues and communicate findings.

<b>Connected knowledge</b>						

**IMPACT:**  
Students will be able to measure progress using tracking sheets in exercise books/folders. As all assessments will use generic criteria, will be moderated through dept meetings it will be possible to measure progress over time within and across year groups.
