**Learning Mode Parent Survey for PreK-5<sup>th</sup> Grade and Center Alternative Students (January 22 - January 29, 2021.)**

Dear Center School District Families of PreK-5<sup>th</sup> Grade students and Center Alternative students,

As we shared earlier this week, we will transition to Phase 2 of our CENTERed on Learning Plan, allowing a return to school in the Hybrid/Fixed Blended model for PreK- 5<sup>th</sup> grade and Center Alternative students.

We understand that some families with health and wellness concerns may want to remain in the Full Virtual model. Which is why it's important for us give you the choice to select the learning mode that best suits your family's needs.

We are asking Pre-K – 5<sup>th</sup> grade and Center Alternative families to identify a preferred learning mode for the remainder of the school year. We are asking families to complete one Learning Mode Request for each student in your family or household. If you have more than one student, you will need to fill out a survey for each student. Below is the link to the new parent survey.

All requests must be submitted no later than 5 p.m. on Friday, January 29, 2021. Staffing needs will be determined based on the data received from the requests. For families who do not complete the survey by Friday, January 29, 2021 at 5:00 p.m., your student(s) will remain enrolled in the virtual learning mode. Any late submissions will be added to a wait list for in-person learning.

**The survey will remain open for one week, through Friday, January 29, 2021.**

We will also offer more in-person learning opportunities for varied middle school and high school targeted groups beginning February 22, 2021. Building staff will connect with families who have been recommended for in-person learning opportunities before February 12, 2021.

**Thank you,**

**The Center School District Leadership Team**
