

Genesee School District
2020-2021
Student Achievement Goal

During the 2020-2021 school year, Genesee School District students will demonstrate growth on the ExactPath and IStation assessments. Elementary students take the IStation assessments at the start of each month while the ExactPath assessment is provided to students in grades 6-12 three times a year.

The first semester data is currently being collected and analyzed. Achievement results will be updated in February.
