- **Comments from the Principal:**

Covid Update: Lincoln Elementary has continued to do awesome with covid numbers. Especially considering the High School (Northridge) has gone remote. We are super proud of the teachers, staff, students, and parents and their diligence in adhering to the CDC and district recommendations to stop the spread. Parents have been very diligent in keeping kids home when they are sick.

The school will start a new way to monitor students when they are absent. Students will have access to work on Canvas and participate at home. If they show no participation for 3 days, they will be contacted and checked on.

Construction update: Great progress is being made in the remodeling of our parking lots and drop off/pick up areas. These are close to being opened. Waiting on some paint and curbing.
