

1,000 Books Before Kindergarten

EARLY LITERACY INITIATIVE

@ the Hall Memorial Library

Open to children ages 0-5

Begin anytime before your child starts Kindergarten.
Register at the Hall Memorial Library.

Read books together!

Write down the titles of the books as you read them to your child. You can read the same book multiple times—just remember to write it down EVERY time you read it!

Read at your own pace!

Collect incentives along the way. When you have read 1,000 books to your child, we'll have a bookplate with your child's name placed in a new book at the library!

Have fun!
