

Hi Future Panther Parents/Guardians,
I hope this finds you well.

This email is for parents of current 6th graders planning to attend Mueller Park Junior High School next year.

Welcome to Mueller Park Junior High (MPJH)! We are so excited your student will be joining us soon!

We'd like to share some information on our upcoming 7th Grade Registration and Panther Preview.

There are 3 easy steps to register for Mueller Park Junior High School.

1. **PANTHER PREVIEW**

- Watch the following Panther Preview Sway of our virtual Panther Preview. (In a Sway presentation, you will scroll down at your own pace and click the play arrow to view each individual slide. There are also videos imbedded wherein you can learn about various classes and teachers. You will click on these videos to view as you see them throughout the presentation.)
- [MPJH Panther Preview](#)

2. **7th GRADE COURSE REQUEST FORM**

- The [7th Grade Course Request](#) form is now open. This link will close on **Monday, February 1, 2021 at 8:00 pm**. Please help your student fill out the Course Request form online to gain the best chance of getting desired classes.
- We suggest that you go to the [7th Grade Course Descriptions](#) on our MPJH website to check out all the great classes available. If we do not receive and completed digital course request form, we will create a schedule for your student and assign elective courses. While there will be an opportunity to request a schedule change in August, it is much easier to request classes now for greater availability. This will also help to avoid the schedule change fee in August.
- If your student is interested in our Accelerated Math course, please review the flyer in the packet and complete the following interest form:
<https://forms.office.com/Pages/ResponsePage.aspx?id=dPKcPX5U9UqN3gGmNuC2By6QB-3gJyBHu1ihWxrO0XFUN1hWVzVaWTkxNDRHUjM1TE1FRzhTSE1JTt4u>

3. **7th GRADE REGISTRATION PACKET**

- Watch for the 7th Grade Registration packet to come home with your student from the 6th grade teacher on **Monday, January 25, 2021**. Review, complete, and return this registration packet to your child's 6th grade teacher by **Monday, February 1, 2021**. We will pick up packets from the teachers.
- For questions or replacement registration documents please see the [7th Grade Student Registration](#) on our website for students currently in Davis School District or click on [Registration Forms for Students New to Davis School](#)

[District](#) if your student is currently attending a school outside of Davis School District.

We are excited to meet our future students! If you have questions regarding 7th grade registration, please see the [7th Grade Welcome Page](#) on our website or call our counseling center at 801-402-6307.

Thank you in advance for sharing your students with us!

Go Panthers!
