Principal's Message

I am honored to have this opportunity to serve the students, staff and parents of Central School. Central School is a beautiful new school building, yet it has over 80 years of tradition.

Central School has been an integral part of Tracy's history, and we always remember that. We at Central School value education and relationships. Our traditions of the family picnic, reading nights and rigorous instruction continue. Intense professional development for teachers and staff, including work on science, technology, engineering and math (STEM), reading and best instructional practices, are a priority.

A year ago, we moved into our beautiful, modern school building. Even though we were sentimental and sad about our traditional brick building being demolished, we are still thrilled and excited to be in this amazing new school building. We love that Central's historic lovely brick walls, huge paned windows, cement hallways, and old bricks are incorporated into our new Central School building. Community members often tell us how much they also appreciate this.

Students are encouraged to exhibit positive behaviors and collect colorful plastic paws for good citizenship, honor roll, etc. We reward good attendance with certificates, positive prizes, and a fun play day.

With our Hospital Foundation grant, we can give shoes, jackets and other clothing to students in need.

A culture of reading will continue schoolwide with book clubs, reading interventions, Paws, reading incentives and many books given to our students to build their home libraries. This past year we received over \$10,000 worth of books for students from grants.

As reading is a priority for Central School, an hour each day has been dedicated to Priority Individualized Reading (PIR). This is a time of differentiated reading instruction led by data on student need. We are seeing good gains in reading skills.

We look forward to a good and productive 2020-21 school year.

School Mission Statement

We will give students the education and values to become lifelong learners and productive citizens.

School Vision Statement

All Central students will read at or above grade level and will have a deep love of reading.

About Our School

Central School is a neighborhood school that has been part of the local community for over 80 years. The Central School staff is focused on effective instructional strategies and teaching to the state standards to improve student achievement. Teachers have high expectations so that Central students will be successful as lifelong learners. Teacher team collaboration improves teaching by using data to set student goals. We foster a family atmosphere among the staff and students. Students are taught the character pillars and alternative ways to resolve conflicts.

We are very proud of the hard work and the dedication of staff as evidenced by our excellent lessons and commitment to standards that are helping students achieve.

All students and staff recite the Central Creed daily.

The Central Creed: "I am a Wildcat! I am ready to learn and will respect everyone's right to succeed. I will give it my all because I am special and smart. I will value my education and work to excel. I am a Wildcat!"

Parental Involvement

Here at Central School, we firmly believe parents are an integral part of the education of our students. We encourage parents to become involved. We update our website and Facebook page regularly. We send texts and notices home and make phone calls for important information. All parents were given a postcard with the many ways to receive information from the school. The student homework folder has information for students and parents and important dates for the school year. Parents are encouraged to join the School Site Council and English Learner Advisory Committee (ELAC), attend events and volunteer in the classrooms (when allowed).

We hope to provide for our parents engaging Fred Jones Parenting Workshops weekly for three months. We also hope to continue presenting our grade level special Read With Your Child fun events and our Read Across America Family Night.

Family involvement is encouraged with Back to School, Open House, talent show and the family picnic in the spring.

For more information on how to become involved at the school, please contact Principal Nancy Morgan Link at (209) 830-3303.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

TRACY
UNIFIED SCHOOL DISTRICT

"The future belongs to the educated."

District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2019-20 school year.

2019-20 Enrollment by Grade

Enrollment by Student Group

The total enrollment at the school was 436 students for the 2019-20 school year. The pie chart displays the percentage of students enrolled in each group.

Demographics

Socioeconomically disadvantaged	85.80%
English learners	49.50%
Students with disabilities	14.40%
Foster youth	0.70%
Homeless	16.70%

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Average Class Size

Three-Year Data

School Safety

Central School encourages parents to report concerns, and they are dealt with immediately. Parents are contacted for most disciplinary issues. Parents say they feel their students are safe at Central School in part because every incident is investigated and acted upon. Supervision staff members meet monthly with the principal to discuss issues and the best ways to monitor student safety. Teachers are updated on the school safety plan and district safety plan annually, and it is revisited throughout the school year. Staff meetings can include training and work on safety procedures in case of emergencies. The staff and students also have regularly scheduled fire, earthquake and lockdown drills.

The school safety plan was last reviewed, updated and discussed with the school faculty, School Site Council and parent group in February 2021.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

California Assessment of Student Performance and Progress (CAASPP)

For the 2019–20 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3–8 and 11 and science in grades 5, 8 and high school. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

Smarter Balanced Assessments include ELA/literacy and mathematics in grades 3–8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: Science, English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Facility Good Repair Status

The table shows the results of the school’s most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility’s good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor. At the time of this school facility inspection, no deficiencies were found.

School Facilities

The new Central School buildings were opened at the end of the 2018-19 school year. We love our modern, high tech, pretty, new buildings. They are clean, fresh and everyone who enters the school is impressed with the gorgeous buildings and grounds.

Facility Summary for Central Elementary School

General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility-survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of Central Elementary School for the 2020-21 school year and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

Age of School/Buildings

The original Central School was built in 1938 with a \$30,000 bond issue to replace Tracy Grammar School. Additions were constructed in 1947 (11 classrooms, restrooms and a storage room), and through the years there were modernizations and additions including in 1976 (new MPR and kitchen).

In April 2019, Central students moved into their new \$30 million building. This new Central School has 23 classrooms, many small offices and rooms, a state-of-the-art computer lab, library, multi-purpose room, kitchen and administration building. The quad area is landscaped beautifully, and the small play yard for kindergarteners and the big one for all other students are fresh and gorgeous. The huge field has been hydro-seeded and was used for part of the 2019-20 school year.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state-deferred maintenance contribution as well as the district’s matching share contribution toward “any educational purpose.” The district has elected to commit deferred maintenance funding to cover general fund expenditures.

Types of Services Funded

About 58% of the district’s income is spent on employee salaries, and 23% is spent on employee benefits. Books and supplies account for 10% of the district’s spending, an additional 10% is dedicated to services and operating costs, three percent is used for capital outlay, and two percent is spent on other district outgo. Expenditures are expected to exceed revenues by approximately five percent.

All of our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2019. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12; this process has been hampered by school closures related to the COVID-19 pandemic.

Textbooks and Instructional Materials List		2020-21 School Year
Subject	Textbook	Adopted
Reading/language arts	<i>Wonders</i> (TK-5 tradition)	2017
Mathematics	<i>My Math</i> , McGraw-Hill (K-5 traditional)	2014
Science	<i>California Science</i> (K-5)	2008
History/social science	<i>My World Interactive</i> (K-5)	2019

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2020-21 School Year
Criteria	Yes/No	
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	No★	
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes	
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	No★	
★ TUSD is going through an IM adoption for K-12 science; TUSD experienced low COVID-19 book returns in spring 2020 and must purchase more books that are currently in transit for high school physics and AP Spanish Literature; all are expected to arrive within the statutory limit.		

Professional Development

Here at Central School, we feel professional development for our staff is vital. All teachers receive individual time with Nancy Fetzer on reading and writing. This may be done virtually this year. Teachers also are trained on interventions for reading including iRead and Corrective Reading workshops. Our STEM implementation team does professional development and lesson studies with the staff. Central's Rigor and Relevance coach worked with staff on increasing rigor in lessons and relationships. All teachers are learning more about Read Alouds and are having training on skills to improve Read Alouds. Our teachers on special assignment (TOSAs) will be available to provide weekly technology training to all staff.

The district offers professional development opportunities for all staff members throughout the school year. Two full days are provided before the school year starts and one during the school year.

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates. The 2019-20 suspension and expulsion rate data are not comparable to prior year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to prior years. Note: Students are only counted one time, regardless of the number of suspensions.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

School and California: percentage difference	-8.0%	-12.0%

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1. All data accurate as of December 2020.
