

Social Studies Adoption Committee

Session 4

January 12, 2021

4:20 PM -6:20 PM

Location: Microsoft Teams

Meeting Outcomes

- 1. Share experiential data around what students know and can do, as well as, what they still need to learn and practice being able to do when faced with real-life civic situations.*
- 2. Analyze and understand what standards-based assessments require students to know and be able to do through individual reflection, small group analysis and discussion.*
- 3. Explore in greater detail our vision of what student success in social studies (inside and outside of the classroom) and identify how or what curriculum would need to support that vision of student success.*
