## Principal's Message

Dear students and parents,

I am honored to serve as principal at Merrill F. West High School for the 2020-21 school year. This is my eighth year at West High School and my fourth year as principal. West High has amazing students and a number of programs to offer those who attend our school.

During my time here, I have heard from many students and families that West High is a place where students can be comfortable with who they are. No matter what their background, they feel accepted here. I am so proud of our school and our students for making West High a place where everyone is welcome. I believe we have a very inclusive culture, and that all students can find a way to connect with the West High School community.

There are two things that I would like to emphasize to any student or parent taking the time to read this message. First: Be at school every day. The research shows that every day you miss at school puts you further at risk of not graduating from high school. It is so important to be in your classes every day you are able. Taking just a few days off from school a month can make it extremely difficult for you to be successful in high school. Second: Get involved at West High. We are a very large school with thousands of students. Connecting with a small group through clubs, athletics, academic competitions or specialized programs will help you connect with other students at West High School. This will make your high school experience more memorable and will help you add to the positive culture here at West High School.

I love West High School, and I am so proud to get to be part of our students' experience here. Thank you for supporting our students.

Sincerely,

Zachary Boswell, Ed.D.

Principal

### Parental Involvement

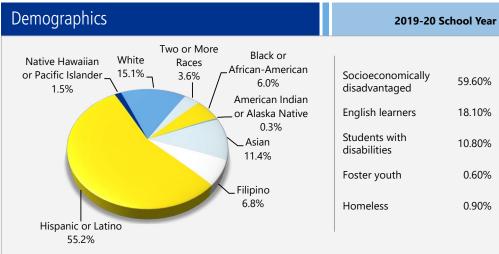

West High School offers various opportunities for all parents and stakeholders to be involved in their students' educational environment, such as:

- Western Association of Schools and Colleges (WASC): Parents in the Parent Teacher Student Association (PTSA) give input into the WASC plan
- School Site Council (SSC): parent input on school budget and other school functions
- Agriculture Parent Booster Club: parent club that supports the agriculture program
- Home Field Advantage: multiple parent clubs that support various athletics on campus, such as baseball, wrestling, soccer, etc.
- Music Parents Booster Club: supports students in various band and choir competitions, activities and fundraising
- College Information Nights provided by West High counselors
- Parent Science Booster Club: parents who are dedicated to providing support for our science programs
- Parent Institute for Quality Education (PIQE)

For more information on how to become involved at the school, please contact Audrey Harrison, the principal's secretary, at (209) 830-3370, extension 3010.

# Enrollment by Student Group

The total enrollment at the school was 2,204 students for the 2019-20 school year. The pie chart displays the percentage of students enrolled in each group.

### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

"The future belongs to the educated."

# **District Mission Statement**

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

### **District Vision Statement**

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

### Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2019-20 school year.

# Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

# Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates. The 2019-20 suspension and expulsion rate data are not comparable to prior year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to prior years. Note: Students are only counted one time, regardless of the number of suspensions.

### School Mission Statement

We will provide all students with a safe, caring, and engaging learning environment in preparation for college and careers.

#### Schoolwide Learner Outcomes

#### Communication

- Speak so others understand
- Listen actively
- Learn to successfully engage as professionals

#### **Critical Thinking**

- Recognize and design solutions for real-world problems
- Persevere to solve problems
- Ask high-level questions
- Use information from multiple sources to solve problems
- Develop disciplinary literacy

#### Collaboration

- Share knowledge and resources
- Learn cooperatively
- Work together as a team

#### Creativity

- Develop and implement new ideas
- Experiment and create
- Embrace failure as an opportunity for growth

# School Vision Statement

West High will be a place where all students and all staff develop positive relationships and where all students receive rigorous and relevant instructional learning experiences including 21st-century skill development.

# CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The new California Science Test (CAST) was first administered operationally during the 2018–19 school year. The table below shows the percentage of students meeting or exceeding the state standards.

# California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity

Flexibility

3.

- 4. Abdominal Strength and Endurance
- 2. Body Composition
- 5. Upper Body Strength and Endurance
- 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

### California Assessment of Student Performance and Progress (CAASPP)

For the 2019-20 school year, the CAASPP consists of several key components, including:

#### California Alternate Assessments (CAA)

test includes both ELA/literacy and mathematics in grades 3-8 and 11 and science in grades 5, 8 and high school. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

#### **Smarter Balanced Assessments**

include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www. cde.ca.gov/ta/tg/ca.

### CAASPP by Student Group: Science, English Language Arts and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The 2019-20 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waives the requirement for statewide testing for the 2019-20 school year.

### About Our School

As a large comprehensive high school, West High's focus includes multiple opportunities for students to take ownership of their high school experience with an emphasis on 21st-century skills and support including both transition to college and school to career opportunities. Some of our programs include:

#### • Future Farmers of America (FFA) with Ag Science Pathway

Over the past five years, our FFA program has doubled from two teachers to four teachers. We now offer a complete Ag Science pathway, with Ag Biology, Ag Chemistry and Ag Physics available to our students. We have approximately 600 students involved in Agriculture Education.

#### Comprehensive Music Program

Our music program has doubled in size since the 2016-17 school year, when we hired Jonathan Raman as our music director. Two years ago, we were able to add an additional instructor, Mr. Jamero, for choir and piano. We now have a comprehensive program that includes Concert Band, Symphonic Band, Jazz Band, Piano, Beginning Choir, Advanced Choir, Orchestra, Music Club and Marching Band.

#### • Space and Engineering Academy

Over the past 21 years, more than 600 students have completed the Space and Engineering Academy's rigorous graduation requirements, exceeding college entrance requirements with at least four years of mathematics and five years of science, and completing community service, job shadowing, a mock interview and an extensive senior service project. The Academy prepares students for college studies and careers in science, engineering, and technology.

#### • Air Force Junior Reserve Officers' Training Corps (AFJROTC)

Our AFJROTC program now has close to 150 cadets. Our increase in numbers has been due to visits to the middle schools to introduce the program to 8th graders, and positive word-of-mouth from students and former students. Last year, we hired Maj Archie Roundtree, USAF retired, as our Senior Aerospace Science Instructor. He joined SMSgt John Morris II, who is in his third year with the program. The AFJROTC Regional Director conducted a staff assistance visit on September 19, 2019 and noted that the program was exceeding standards in many areas. Laudable areas of achievement include cadet community service hours, discipline, leadership activities, cadet ownership of the program and the Cadet Mission Brief. Three of our former students have received full-ride JROTC scholarships for college.

#### Advancement Via Individual Determination (AVID)

We have two levels of AVID 1 and AVID 2, and we plan to continue these for years to come. In years past, we only had one section at each grade level, so we are excited to see the numbers remaining higher. One-hundred percent of our AVID seniors get accepted into four-year colleges. We are anticipating the numbers to continue to increase as this current 9th grade class moves up.

#### Freshman Seminar

Freshman Seminar is a one-year course designed to support a successful transition into high school and ultimately into adulthood. The philosophy of the course is building futures by design, not default. This course is a part of our continuum of intervention programs and services here at WHS. His year there are approximately 65 students enrolled in Freshman Seminar classes. Mr. Jensen joined Ms. Rodgers in 2020-21, so we now have two teachers teaching the course. These students were all provided with the AVID binder and supplies as this course uses AVID's organizational structure including the binder and weekly grade checks in addition to career and college exploration. Students participate in a full day of team-building and collaboration in September in order to connect students with our campus and culture. Freshman Seminar students also attend tutoring each week facilitated by AVID trained tutors.

#### Summer Bridge Program

Summer Bridge provides 100 incoming freshmen with a two-week program to acclimate them to life as a high school student. Students are introduced to the campus, teachers, special programs, counselors, and are taken on a college visit. Socioemotional and tutoring support are provided throughout the school year to Summer Bridge participants. We continued the program virtually this summer, and we saw many successes despite the challenges from COVID-19.

#### • Career Technical Education (CTE) Pathways

CTE continues to help meet the district goals of preparing our diverse student population to be college and career ready for the 21st Century. We also prepare our students to be life-ready. CTE is a unique department that not only prepares our population for college and career, but we teach life skills. Truly our curriculum prepares all students for life after high school. Whether the class is Floral Design, Foods and Nutrition, Marketing or Child Development all students gain the knowledge of what is required to function as well-rounded individuals in today's complex society.

#### • Drama and Tech Theatre

Our drama students perform out of our Black Box theatre. We offer Drama, Advanced Drama and Tech Theatre for students.

#### Advanced Placement (AP) Courses

West continues to have a strong AP program. We offer advanced placement courses in science, Mmthematics, English, social science, art and world languages. We hope to continue to grow each year by both adding students and new courses.

### About Our School

Continued from left

 World Languages (Spanish and French) with Native Speakers Options

9

We offer both Spanish and French to our students. In addition, we have a highly successful Native Speakers pathway in Spanish, through which students can get into AP Spanish 4 and AP Spanish 5. Our pass rates on these exams are far above average.

#### • English Language Development (ELD) Courses

All English learners are supported through designated ELD courses in grades 9-12. Our ELD teachers have been aligned so that those who teach ELD also teach an English course of the same grade level. Our ELD courses use district-adopted curriculum that aligns with the district-adopted English language arts (ELA) curriculum, StudySync.

#### Art Courses, Including Animation and Computer Graphics

We have a comprehensive art program, which includes entry level drawing courses through Advanced Placement Art. Students can take sculpture, multicultural, animation, or computer art courses.

#### Yearbook

We have an award-winning yearbook program that puts out a phenomenal product every year for our students.

#### Journalism

The Zephyr—our award-winning newspaper—is published both online and in print format for our staff and students. Our students get advice and presentations from local journalists, and they also have the opportunity to attend journalism trainings.

#### • Special Education

We have a comprehensive program for students with special needs, with a goal of mainstreaming all students to the maximum extent possible. Our staff and students make a tremendous effort to include our students with special needs in all aspects of our school.

### California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard. org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Career Technical Education Programs

West High offers academic courses such as floriculture, computer literacy, work experience, marketing and student store, which prepare students for a job or career after graduation. These courses support achievement by having high standards, requiring rigorous work from students that complement other course offerings here at West High.

Every student is welcome and encouraged to take career technical education (CTE) courses; appropriate changes in curriculum are made to meet the individual needs of special populations of students.

The primary representative of Tracy Unified School District's CTE advisory committee is Sam Strube. He works closely with teachers to make the CTE program at West High align with current business needs and standards, thus enabling that our students are employable upon graduation.

## Career Technical Education Participation

# Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out. For more information, please visit http://dq.cde.ca.gov/dataquest.

### Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2020. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12; this process has been hampered by school closures related to the COVID-19 pandemic.

# School Safety

West High employs three full-time assistant principals who maintain discipline, attendance and educational programs. West High is also staffed security guards and utility/security guards who assist with school safety measures. School administration and security personnel attend ongoing safety training offered by Tracy Unified School District, as well as attend monthly safety task-force meetings where all schools come together to discuss safety concerns, community resources and opportunities for future trainings.

West High's safety plan is reviewed and revised annually to implement new and updated safety concerns and equipment such as:

- Maintenance of camera and video
  equipment
- Enforcement of lanyard studentidentification-card program
- District emergency-procedures handbook
- Peer counseling through our Conflict
  Management class
- On-site counseling offered by community agencies such as Valley Community Counseling Services and One Day at a Time
- Student Assistance Program (SAP), Discipline and Review Team (DART), School Attendance and Review Board (SARB) processes

Our goal is to proactively encourage students and staff to participate in the safety of our campus by fostering a positive environment of respect for each other, the resolve to work toward a single goal together and maintaining vigilance.

The school safety plan was last reviewed, updated and discussed with the school faculty in January 2021.

# Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

# Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	S 2020-21 School Year	
Criteria		Yes/No
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?		No★
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?		Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?		No★

★ TUSD is going through an IM adoption for K-12 science; TUSD experienced low COVID-19 book returns in spring 2020 and must purchase more books that are currently in transit for high school physics and AP Spanish Literature; all are expected to arrive within the statutory limit.

### School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status 2020-2		1 School Year
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation	and HVAC)	Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)	)	Good

# School Facilities

#### General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility-survey instrument developed by the State of California Office of Public-School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of Merrill F. West High School for the 2020-21 school year and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

#### Age of School/Buildings

This school has 98 classrooms, a cafeteria, kitchen, student store, administration building, career center, counseling center, library, boys' and girls' restrooms, portable buildings, a main gym, sub gym, boys' and girls' locker rooms, boys' and girls' restroom building, a pool-equipment building, community-use building, and concessions building. The main campus was built in the 1991-92 and the 1992-93 school years.

Additions were constructed in 1994-95 (10 relocatable classrooms), 1996-97 (relocatable restroom building), 1997-98 (12 relocatable classrooms), 2000-01 (humanities building, visual arts building, performing arts building), 2002-03 (18 classrooms to the IGCG campus), 2004-05 (seven relocatable classrooms), 2005-06 (two relocatable classrooms), 2006-07 (a relocatable science building and tennis courts), 2007-08 (stadium and pool complex with two classrooms, a community-use building, concession building, and storage and mechanical buildings), 2011-12 (black box theater), 2016 (west parking lot resurfacing) and 2017 (solar panels).

#### **Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### **Cleaning Process and Schedule**

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### **Deferred Maintenance Budget**

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

Over the summer between the 2016-17 and 2017-18 school years, the district allotted approximately \$3 million to renovate most of West High School. Most of the school received new floors, walls, ceiling tiles, and interior and exterior paint.

# Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

### Professional Development

Tracy Unified School District requires new teachers to participate in the Tracy Teacher Induction Program (TTIP). This involves six full days of pre-service and four days of follow-up during the year. At this time, teachers are introduced to the district and their site and receive training on classroom management, content organization and lesson design.

All activities are based on the California Standards for the Teaching Profession (CSTP). Throughout the year in TTIP, teachers are additionally supported in the classroom on a regular basis by a staff-development specialist. New teachers who qualify for the Beginning Teacher Support and Assessment (BTSA) program to clear their preliminary credentials will be assigned a BTSA support provider and will work through the modules of the Formative Assessment for California Teachers (FACT).

The district offers professional-development opportunities for all staff members throughout the school year. Two full days are provided before the school year starts.

Every Monday, teachers release students early from school at 1:30 p.m. to allow teachers to participate in professional-development opportunities. These sessions are divided throughout the year to allow teachers to participate in site staff development, district staff development and teacher collaboration time.

The district office is helping to fund professional development for our teachers and administration, both through sending teachers to PLC conferences and through work with the International Center for Leadership in Education (ICLE). The work with ICLE focuses on building Relationships, Rigor and Relevance in the classroom.

### Financial Data

The financial data displayed in this SARC is from the 2018-19 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

## **District Financial Data**

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Salary Data		2018-19 Fiscal Year
	Tracy USD	Similar Sized District
Beginning teacher salary	\$50,570	\$52,484
Midrange teacher salary	\$74,538	\$81,939

Superintendent salary	\$233,679	\$254,706
Teacher salaries: percentage of budget	34%	34%
Administrative salaries: percentage of budget	5%	5%

# Types of Services Funded

About 58% of the district's income is spent on employee salaries, and 23% is spent on employee benefits. Books and supplies account for 10% of the district's spending, an additional 10% is dedicated to services and operating costs, three percent is used for capital outlay, and two percent is spent on other district outgo. Expenditures are expected to exceed revenues by approximately five percent.

All of our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

# Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

# Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.
