January 25, 2021

Dear Families and Staff:

This is an update on the number of positive COVID-19 cases that have been reported to the district today, January 25th. In all cases, no contact tracing was required as the individuals were already quarantining and/or had remained home from school.

## Positive COVID-19 Cases Reported to Stonington Public Schools

	DMS	WVSS	SMS	SHS
Student/Staff	3 cases	1 case	0 cases	2 cases

We are regularly consulting with the Connecticut Department of Public Health and Ledge Light Health District. The health and safety of the students and staff will continue to drive decision making with regard to determining the instructional model and maintaining in-person instruction. While we continue to work under the conditions of an emergency health crisis, please be aware that the instructional model could shift to a full distance model at any time.

As a general reminder, please contact your school nurse to report any symptoms related to COVID-19. Additionally, please remember to adhere to the quarantine/testing requirements of the CT Travel Advisory by visiting: <https://portal.ct.gov/coronavirus/travel> .

Thank you again to our families and staff who continue to remain vigilant by following our local health advisories, including staying home when experiencing COVID-19 related symptoms.

Sincerely,

Dr. Van Riley  
Superintendent of Schools
