KEEPING YOUR CHILD SAFE ONLINE

Keep your personal information private.

People on line that you do not know are strangers.

They are not always who they say they are.

Be nice to people and speak to them as you would in person.

If you feel worried about something online tell an adult.

Free school meal vouchers

If your child is eligible for Free School Meals because you claim them, please ensure that we have the correct email address for you.

Please claim your vouchers in good time. This week they should be emailed out tomorrow.

MRS REECE'S REMOTE LEARNING MARATHON

Well done to all the children who have been awarded a certificate so far for completing and uploading their work onto Class Dojo or for completing a workbook.

If you are having trouble uploading pictures of children's work please contact us.

THINK BIG

We are pleased to announce that the mass testing programme is being rolled out from this week. This will be a positive step towards us moving towards a more 'normal' way of life and learning. Over the coming weeks our staff will be offered a self-testing kit to support the national efforts to stop the virus from spreading.

SUPPORT WITH ONLINE LEARNING

If you are struggling with supporting online learning because of limited technology, please contact us-we may be able to help. **Don't just leave it - your child could end up missing out.**
