School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Eastside High School, home of the Lions, is located in the Antelope Valley, about 60 miles northeast of the Los Angeles basin, in Los Angeles County in the high desert at 3200 East Avenue J-8, in the city of Lancaster. Formally a rural community, the area is rapidly becoming urban/suburban. The Antelope Valley's total population of approximately 340,000. Many parents commute to the Los Angeles area to work.

Eastside High School is the eighth and newest comprehensive high school in the Antelope Valley Union High School District that serves 23,000+ students and another 2,000 adult education students. The student body is composed of students from three primary feeder schools from Eastside Elementary School District and the Lancaster Elementary School District. The high school district and elementary district are not unified. The majority of students provide their own transportation to school, but buses are currently serving students who live more than three miles away. The school serves 9th - 12th with a projected enrollment of approximately 2500 students.

School Mission/Vision Statement:

Mission

Eastside High School is dedicated to empowering and inspiring students to strive for success, to set goals, and to become lifelong learners. This is achieved in a safe, mutually respectful learning community that provides students with the skills and knowledge necessary to succeed in today's technologically connected and global society.

Vision

EHS students will graduate with the skills and adaptability necessary to achieve their own personal goals and compete in an ever-changing world.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Eastside High School has an integrated approach to career preparation. Multimedia and Contemporary Design Level 1 are offered. Contemporary Design Level 2, Advanced Technical Projects as well as Advanced Stagecraft Technology are offered through the Regional Occupational Center and Career Technical Education (CTE) programs both on campus and throughout the district where students are allowed to cross enroll.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents are welcome to participate in school activities in a number of ways. Parents participate as members of the School Site Council, School Advisory Council, as well as participation in multiple booster clubs for various activities.

EHS employs a full time Parent Volunteer Coordinator who facilitates parents in giving assistance and support campus wide.

EHS opened a Parent Center in 2012 to encourage PowerSchool usage and assistance to parents in filling out school related documents. School personnel are on hand to assist parents.

Regularly scheduled EL and AVID Parent Nights and celebrations are held throughout the school year. In addition an EL Mini Conference was held for students and parents to highlight A-G college requirements, PSAT/SAT information and information on how to read a student transcript. A district ELAC Meeting is held each semester.

Separate conferences for each grade level, College Fair, Making College a Reality, Senior Nights, School Showcase, and other special nights for both students and parents are held throughout the year.

Suspensions	5.63	5.89	unavailable
Expulsions	0	.0014	unavailable

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Our Safety plan is a resource of information designed to assist our staff in dealing with crime and emergencies on campus. The information in the plan encompasses the following areas: crime assessment, policy, and procedures, evacuation plans, people and programs, physical environment and compliance. It is designed to maintain consistency regardless of which staff member or administrator is dealing with situations on campus. A complete copy of the School Safety Plans can be obtained in the Administration Office.

Our focus areas include increasing school safety while expanding and emphasizing school pride by reducing referrals for fighting, gang activity, and graffiti. The Staff of EHS is trained to identify and recognize signs of at-risk youth and how to access resources and programs within the EHS community. Evacuation and Lock Down Drills are held on a quarterly and monthly basis.

Eastside High School requires all students to present their IDs prior to entering campus. An additional campus supervisor will patrol the perimeter of EHS during school hours. In support of students' emotional and social development, EHS has identified six mentors to work with students throughout the day helping them to focus on their attendance, academic and school participation.

District Statement: We want our community to be aware of our continued commitment to safety which includes multiple, proactive approaches to fortifying security throughout our schools.

In April and June 2018, we conducted safety reviews of our campuses that resulted in the implementation of enhanced safety measures. These measures vary by school and include enhanced fencing, additional security and counseling personnel, updated surveillance cameras, front entrance modifications, and door locking devices. We also incorporated additional training with the Lancaster Sheriff's Station and revised student, staff and visitor identification processes.

For more than 25 years, we have had a dedicated school deputy on campus each day. In addition to this, we continue to focus on our students' social emotional needs through various programs and counseling outreach, provide safety training to our students and staff, and underscore the importance of vigilance through "See Something, Say Something." Our district and site websites have links to confidential student referral forms, where students and parents are able to submit safety concerns for administration to address.

Types of Services Funded (Fiscal Year 2019-2020)

Eastside High School is currently a school-wide Title I school, with a majority of its students qualifying for Title I funds. Literacy Support classes are offered for students who do not read and write at grade level. These classes use Read 180 to teach reading and writing skills so students maintain literary skills at or above grade level. The use of daily planners supports organizational skills, time management and school-to-home communication.

The Special Education program, an inclusion model, provides assistance from instructional aides and special education teachers in the classroom to support all students in meeting the standards. Literacy Support and ESS classes provide time to ensure goals for each Special Education student are met. Teachers and the Special Education support staff implement student accommodations to ensure the opportunity for academic success. A Teacher on Special Assignment also provides ongoing staff development and is present during transition IEPs for students coming to high school from feeder schools.

We offer the LINK Program, a mentor program specifically designed for the transition from Junior High to High School. Through this program, 9th grade students attend a summer orientation and various activities throughout the year. In addition, our AVID Program, which encourages college readiness, currently serves several hundred students. EHS is currently honored as an AVID Demonstration School.

Math Intervention and support classes such as Algebra 1 Support and math support are offered.

Coordinated Academic Maintenance Program (CAMP) is in effect for credit recovery, tutoring, and supplemental instruction. Through this program, students also have opportunities for enrichment and grade improvement to become A-G eligible. Tutoring is offered most days after school in the library.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	6	6	6

Teachers have multiple opportunities to participate in voluntary and mandatory professional development sessions. These take place during staff meetings, department meetings, Professional Learning Communities, and other optional Professional Development sessions that occur monthly outside of the school day. In addition, teachers have the option of attending district trainings and/or collaborating either during the school day or after school. Finally, teachers are given opportunities to attend conferences outside of the district through LACOE, the College Board, and other agencies in conjunction with district offered pd.

To support teachers in implementing the various professional development initiatives, Eastside High School has identified a variety of instructional partners and coordinators who have varying periods of release time to observe, conference, plan, and co-teach with other teachers. Teachers are encouraged to observe each other in implementing strategies, and consistent follow up in Professional Development sessions ensures that there is a clear focus and direction to our Professional Development. The professional development plan continues to evolve based on data collected and identified the needs of our faculty, staff, and students.
