

**SOAR High School (Students On Academic Rise)**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

SOAR (Students On Academic Rise) High School is an early college high school in the Antelope Valley Union High School District located on the Antelope Valley College campus. This program is supported by both the high school and college district.

In the Fall of 2005, the California Community College Foundation approached the college and high school districts about the possibility of an early college high school program in the area. Since the concept was supported by both districts it required cooperative agreements and staff with the vision and desire to operate outside the box to do something completely different than any other school program in the area. The college and high school district boards agreed and supported the creation of an early college high school in the Antelope Valley.

#### **Mission:**

Students On the Academic Rise (SOAR) High School provides a supportive, flexible and academically enriched environment with an emphasis in mathematics, science and engineering for underrepresented students who may be high potential but low performing in the traditional educational system. SOAR High School is designed to promote academic achievement, social maturity, and enhanced economic opportunities through the completion of high school and success in college. SOAR High School embraces the Core Principles of the Early College High School (ECHS) Initiative, including improving the graduation rates by creating a flexible high school year, by compressing the number of years to complete a college degree, and removing financial and other barriers to college.

#### **Vision:**

SOAR Stars are life-long learners and self-advocates who solve the most pressing challenges through an unwavering pursuit of knowledge, innovation, and collaboration, becoming engaged and productive leaders in their communities.

**Values:**

S - Self Advocate

T - Teachable

A - Accountable

R - Respectful

**Motto:**

Dream High and SOAR Higher!

**A. Conditions of Learning****State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## School Facility Conditions and Planned Improvements

Students have access to the college facilities as needed. SOAR High School is comprised of nine classrooms, an administration building, and restroom facilities for both adults and students respectfully. The construction of the facility was completed in December of 2008 and occupied in January 2009. All classrooms are in good operating condition and preventative safety measures are in place to uphold overall campus maintenance.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	67	N/A	12	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Career Technical Education Programs (School Year 2019-2020)

All of our students are on target for graduation and many will earn their AA degrees within their four years in our school. Many will be venturing into CTE career majors as we are a Math, Science, Engineering, and Technology focused program. SOAR Seniors take advantage of attending other schools in order to participate in CTE coursework: Health Career Academy, Emergency Medical Technician, and International Business.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## Opportunities for Parental Involvement (School Year 2020-2021)

Parents are an integral feature of this program. They are responsible for student transportation to and from school. They also maintain contact with the school and teachers via our online student information system (PowerSchool). We have periodic parent meetings as is a requirement of our school-wide AVID certification qualification, the Title I program, and ongoing accreditation work. We have regularly scheduled school site council meetings which several parents participate in. We also communicate as needed via our ParentLink communication system for announcements, alerts, and helpful information. And it is a standard practice that administration is as close as the telephone or internet.

SOAR's Parent Workshop Series assists parents in understanding what to expect from the SOAR experience with their students. Coffee with the Stars gives stakeholders an opportunity to receive updates on the program and ask any questions pertinent to student success. SOAR now has two large scale events for families: the SOAR Family BBQ and the 2nd Semester Back to School Night.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	0.2	0.0	8.8	7.9	3.5	3.5
Expulsions	0.0	0.0	0.3	0.2	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.21	5.89	unavailable
Expulsions	0	.0014	unavailable

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

Because SOAR is physically located on the AV College campus, we mostly follow this institution’s plan and practices. Those plans can be accessed at <http://www.avc.edu/information/emergency/common/documents/EmergencyProcedures.pdf>.

In addition to safety enhancements across the District (see below), SOAR students are expected to have an ID on them at all times. Students need to stay together while on the broader camps and be aware of emergency procedures. Large bags are subject to being checked. Please note that SOAR is in the process of implementing a new visitor check-in system. If you plan to visit the school, please always check in at the front office with an ID and we will advise you of the process to follow. The Sheriff’s Department at AV College is available to address safety or security questions or needs, and counseling staff is available for support.

### District Statement:

We want our community to be aware of our continued commitment to safety which includes multiple, proactive approaches to fortifying security throughout our schools.

In April and June 2018, we conducted safety reviews of our campuses that resulted in the implementation of enhanced safety measures. These measures vary by school and include enhanced fencing, additional security and counseling personnel, updated surveillance cameras, front entrance modifications, and door locking devices. We also incorporated additional training with the Lancaster Sheriff’s Station and revised student, staff and visitor identification processes.

For more than 25 years, we have had a dedicated school deputy on campus each day. In addition to this, we continue to focus on our students’ social emotional needs through various programs and counseling outreach, provide safety training to our students and staff, and underscore the importance of vigilance through “See Something, Say Something.” Our district and site websites have links to confidential student referral forms, where students and parents are able to submit safety concerns for administration to address.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Teachers are given many opportunities for professional development; these opportunities rarely impact classroom instruction time. A major focus of this year's professional development has been on teacher collaboration and stakeholder engagement.
