

Advanced Placement Registration Information

Taking the Advanced Placement exams is an important part of all AP courses. Friendswood High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

For the 2021 AP exams, students at Friendswood High School will be registering online. See detailed information below regarding how to register for exams.

Online Registration **begins on Monday, February 1, 2021 at 8:00 AM for Spring-only semester classes and ends on Thu, March 11, 2021 at 4:00 PM for all classes (year-long and semester only).** Note that students taking a year-long class may still register, however, a late fee will be applied.

The AP exam registration process is **two steps** and can be completed in one sitting when the student and parent/guardian do this together. **Both steps must be completed in order to have AP exams ordered:**

- **Step 1:** Begin the process by registering at:
www.TotalRegistration.net/AP/442625
 - Here you will indicate the AP courses you are taking this year **and** the exams you wish to take.
 - You will receive your **join codes** and directions to complete the second required step.
 - Any exam fees will be paid online so be sure to have a **debit card or credit card available before beginning registration**. Paying online is a great way to make sure that payment has been made while avoiding mailing payment.
- **Step 2:** Use the **join codes** provided at the completion of step one to enroll the student's AP courses and exams in the College Board's [AP Classroom](#). Note **you must indicate "Yes" under the Student Exam Decision Indicator; the default is "Undecided."**

This year each AP exam costs \$99.00. Friendswood High School desires that every student be able to take their AP exams. Students who qualify for the Federal Free/Reduced Lunch Program will have the option to check that they require financial assistance.

Important dates for the registration process

Fri, Oct 2, 2020	8:00 AM	Registration begins for all Year-Long and Fall-Only Semester classes
