 No School 7-12
 No School 10-12

Late Start K-6
 Teacher Workshop/Prof. Day

Late-start days

We have late-start days during the school year when schools start two hours late. On late-start days, our teachers work together on planning and preparing learning experiences for students. The time used by teachers during the late-start days is in addition to staff development done during the summer and outside of the school day.

Visit HopkinsSchools.org for complete District and school calendars.
