A note from the principal:

Just one week left this quarter. Let's finish strong! We are working hard to ensure a safe final week of the 2nd quarter.

For our friends who must quarantine through the end of the quarter, please make arrangements with your teacher to make-up tests.

If you are making a change to your learning platform (remote or in-person) after the break, please reach out to our registrar, rmoffat@bfcsaz.com, to let us know so that we can make arrangements to accommodate those changes.

~Mr. Ball

Half Day - Craft Day

Christmas Concert

Each year, our students perform in a Christmas Concert. Like so many other things, our concert will look quite different this year. Due to restrictions on gatherings, rising Covid numbers, and a desire to be responsible as we send our families off into a major holiday break that includes Christmas and New Year's Eve, we will not hold an evening concert.

On Friday, December 18, our grade level performers will perform for another grade level out on the field. Students will be outdoors, distanced, and in smaller groups. We will record the songs so that our parents can still see and hear the performances.
