A note from the principal:

I hope everyone enjoyed the three day weekend. This week our students recited a quote by Martin Luther King Jr. "Courage is the power of the mind to overcome fear."

Our students are in living in an interesting time and yet they are thriving. They have borne a great deal and I am so proud of the progress the have made over the first half of this school year.

Keep going falcons! You can do it!

~Mr. Ball

Bus Safety Protocols

As part of our busing safety plan, our students are required to wear a face covering while on the bus. We know this is a tall order, but our drivers' safety is also very important to us. Please read the letter attached to the original email from our transportation department regarding the wearing of masks and potential loss of bus privileges. If your child rode the bus home on Friday, they will also have a physical copy of the letter.

Returning Enrollment

Open enrollment for new families begins Monday, January 25. If you have not already enrolled for next year, please do so in order to reserve your spot.
