A note from the principal:

We had a very successful week back. The students regaled their teachers with stories of their adventures over break. While we always enjoy a break, we miss our students and are excited to see them again.

Thank you all for your diligence in monitoring for symptoms each day. Thank you for your understanding when we find ourselves in a position where we need to quarantine a few students.

Lastly, good luck to our Crismon spellers that will be participating in the Quad Campus Spelling Bee this week!

~Mr. Ball

Part of your Morning Routine:

- Check your child's temperature
- Conduct a visual scan for anything amiss
- Ask your child if they are feeling okay if anything seems "off"

Keeping a student that might be ill at home helps us all to stay in school

Afterschool Pickup

Please remain in your vehicle during pickup. Also, encourage your child to be on the lookout for your vehicle so that we can get everyone quickly and safely exited.

Returning Enrollment

Each year we happily allow our families the opportunity to reenroll for the next year prior to opening enrollment to the full community. We want to ensure our current families have the first chance.

This year it should be fairly easy. **On Monday, January 11, 2021 you will receive an email from SchoolAdmin with a link to enroll for next year.** Please check your spam just in case.

As an added bonus, the "Proof of Residency" document gave us a few headaches last year. If your address has not changed, you will be able to use the same document!
