APPROVED EQUIVALENCY CREDITS PUGET SOUND SKILLS CENTER 2020-21 School Term

*To earn academic equivalency credits at Puget Sound Skills Center (PSSC), a student must be enrolled in a Career and Technical Education program for a minimum of two semesters. It is the student's responsibility to declare intent to earn equivalency credits when enrolling in a PSSC program or within first semester. At the end of two semesters, the student may receive credit for up to three .5 approved equivalency credits if all coursework is successfully completed. See individual PSSC program equivalency credit forms for more details. **Forms are available from individual PSSC instructors.***

Students who enroll for more than two semesters may earn equivalency credits not declared or earned during the previous year. The sending school counselor will determine how equivalency credit will meet graduation requirements.
