**California Education law requires that all students become fully immunized or have a documented medical exemption.**

#### Conditionally Admitted Students

1. ALL students, regardless of immunization status, **MUST** present immunizations at the time of enrollment in order to attend school. Those with incomplete records or immunizations have some options.
  - a. Students who are as current as possible with their vaccines, and not due for any doses, will be enrolled.
  - b. Foster children, homeless youth and children of currently active duty or reserved military families will be permitted to enroll.
  - c. Students with current IEPs will be permitted to enroll.
  
2. Children who are conditionally admitted (meaning they have not completed the vaccine series) are still required to present their written documentation of current vaccines or enroll in an alternative program (ex.: AV Virtual Academy or Independent Study).

Medical Exemptions (<https://www.shotsforschool.org/laws/exemptions/>)

1. Starting July 1, 2019, a parent or guardian must submit a signed, written statement from a physician (MD or DO) licensed in California which states:
  - a. The specific nature of the physical condition or medical circumstance of the child for which a licensed physician does not recommend immunization **and**
  - b. Each specific required vaccine that is being exempted **and**
  - c. Whether the medical exemption is permanent or temporary **and**
  - d. If the exemption is temporary, an expiration date no more than 12 calendar months from the date of signing.S
  - e. Starting January 1, 2021:
    - Medical exemptions can only be issued through the California Immunization Registry-Medical Exemption website (CAIR-ME) by physicians licensed in California
    - Schools may only accept from parents new medical exemptions that are issued using CAIR-ME.
