Information

As long as we continue to meet the advisory health metrics set by the Oregon Department of Education and the Oregon Health Authority (≤ 350 positive COVID-19 cases per 100,000 over the previous two-week period in Washington and Multnomah Counties), we will begin Hybrid Instruction (part in-person/part online) in our elementary schools, starting with Pre-K/Kindergarten through 2nd grade. The earliest date that students will return to school buildings for Hybrid Instruction will be April 5. After we've had a smooth transition with our youngest students, we'll consider bringing back grades 3-5, possibly one grade per week.

For a full picture of what the Hybrid Instruction model will look like for students, please watch this video: English or Spanish. You also can read our Return-to-School FAQ for elementary students.

If you're not comfortable sending your students back for in-person instruction, they can continue to remain in Comprehensive Distance Learning (CDL). However, no student—whether CDL or Hybrid—will be guaranteed the same teacher as the one instructing them now. Again, please refer to the video for a full explanation.

All elementary families must choose whether to remain in CDL or move to Hybrid. This decision will apply to the rest of the school year; no switches will be allowed. All choices must be made by February 15.

Throughout the online process, you will be presented with a variety of information to enter. Many steps will have required fields marked by an asterisk (\*). You must enter information into these fields before you will be allowed to continue.
