| Old Business | <ol style="list-style-type: none"> 1) SPSA Board Approval 2) Falcon Store follow up | <ol style="list-style-type: none"> 1) Lisa Moore added the tech and Chrombooks to the SPSA for approval. There were questions and discussion on Chromebooks. 2) Lisa Moore gave an update on the virtual or on campus options for the Falcon Store. Having students on campus now is not an option. The PBIS coordinator has one period for PBIS prep. There are individual teacher stores. Student store items can be added to teacher classroom incentives. |
| New Business | <ol style="list-style-type: none"> 1) Current Assessment Data 2) Topics for Parent Presentations 3) Reopening Timeline Update 4) Parent Surveys – Revised Process 5) Drop Box 6) Monthly Student Virtual Assembly Topics 7) School Safety Plan | <ol style="list-style-type: none"> 1) Lisa Moore shared the state is to implore a modified test during CASP and what they will look like. This year the ELA CASP interim assessments will look more like mini tests and be vigorous. 2) Discussion on what parents want to see for future presentations for parent participation. Examples shared are vaping, online safety, and testing level at where students should be at. Lisa Moore also shared how iReady gives lessons on specific levels so students can see their strengths and areas of need. 3) Lisa Moore shared results from the parent surveys regarding reopening school to in-person learning and the option for continuing remotely. 2/3 of families are interested in coming back to in-person learning. 1/3 prefer staying remote. 110 families haven't replied. The 110 that haven't responded are set up for coming back because it's easier to move them to remote later. The master schedule is being worked on and should be in place before winter break. Students will receive their schedules the week of January 18. 4) Stephanie Ledgerwood shared the prior year parent surveys. There was discussion on how to present the survey process. The prior surveys will be revised to fit our current conditions and the first one will start in December. 5) A drop box has been ordered in Falcon blue. This will be mounted on a pillar by the main entrance. 6) Lisa Moore lead the discussion in monthly student virtual assembly topics. The last one was bad. It was very glitchy and the company will do it again. 7) Candice Grossi explained what the School Safety Plan is. The plan will stay the exact same as it was last year. She shared some of the key details and strategies of the plan. Geri Vargas moved to approve the School Safety Plan. Stephanie Ledgerwood seconded the motion. Motion approved. |
