

INTENT-

- To build upon students' experiences in the earlier key stages, in subjects such as History and Sociology, as well as extending their understanding of British values.
- To provide students with invaluable knowledge, understanding and skills, which they can apply to enhance both their future careers, and their place as educated citizens, enabling them to take an active and informed role in all aspects of society.
- To encourage ambition and to support students in achieving their post-18 goals.
